

By hand - Open letter

To all elected Parliamentary members as representatives of NZ people.

In particular The Hon JA PM of NZ

Re: letter of Demand from the NZ people

We refer to matters of great importance to the people of New Zealand community.

We hereby provide the Honourable members with a list of demands that we seek to have addressed by the Honourable members. These issues must be heard and acted upon.

The Covid-19 matter has divided our nation and it is now time we the people are afforded the opportunity to heal.

The list of demands as enunciated below represent the key issues we the people believe will move this towards resolution.

In summary these issues are:

- End all Covid –Vaccine Mandates.
- End all restrictive Traffic light systems and ensure the nation as a whole remains open, allowing trade commerce and travel to be absolutely free.
- Reject any moves for a society based on digital identity
- Remove all restrictive vaccine passports.
- Establish an Independent non-biased Investigative body to investigate any public service misconduct during the Covid-19 period.
- Reinstate and compensate those that have lost their jobs during the Covid-19 period due to vaccine mandates.
- Ensure there is fully informed consent required by parents and guardians in relation to any medical procedure/decisions/interventions for children.
- Revoke all Covid-19 related Govt endorsed legislature/acts and laws that erode the peoples sovereign rights and freedoms
- A moratorium on the deregistration or prosecution of all registered medical practitioners silencing them from expressing their qualified medical opinion in relation to Covid-19 issues.

We invite the Honourable members to consider and adopt as enunciated in this open letter without further delay
