

1
01:00:12,079 --> 01:00:14,280
[Dr Bruce Dooley]
I have never met a doctor

2
01:00:14,800 --> 01:00:17,320
When I bring up the Federation
of State Medical Boards

3
01:00:17,440 --> 01:00:19,280
...who knows what
I'm talking about.

4
01:00:19,760 --> 01:00:21,079
Who is this
federation?

5
01:00:21,320 --> 01:00:22,199
Wh-- What?

6
01:00:22,320 --> 01:00:24,039
How've they been around
for a hundred-some years

7
01:00:24,159 --> 01:00:27,039
...and I don't know anything
about 'em, as a physician.

8
01:00:27,400 --> 01:00:28,159
It was shocking.

9
01:00:28,400 --> 01:00:29,480
It was, um--

10
01:00:29,719 --> 01:00:33,000
To me, what I
witnessed was, uh

11
01:00:33,679 --> 01:00:36,599
Beyond anything I thought
that could ever be.

12
01:00:37,199 --> 01:00:41,159

I think we're talking about,
the medical councils of the world

13
01:00:41,400 --> 01:00:44,679
...have been captured
by the Federation.

14
01:00:46,440 --> 01:00:50,239
We should not be allowing
a private corporation

15
01:00:50,880 --> 01:00:54,840
...to be influencing
medical councils like this.

16
01:00:55,880 --> 01:00:59,599
If we stand by, and we let the
Medical Council of New Zealand

17
01:01:00,079 --> 01:01:01,119
...incorporate this

18
01:01:01,239 --> 01:01:04,000
...into their policies
and procedures.

19
01:01:04,400 --> 01:01:06,599
That will be
the final

20
01:01:06,719 --> 01:01:09,920
...gag on anything

21
01:01:10,199 --> 01:01:12,280
...that a doctor says

22
01:01:12,400 --> 01:01:15,360
...counter to the
mainstream narrative.

23
01:01:16,400 --> 01:01:18,639
Doctors were saying,
we wanna be free

24

01:01:18,760 --> 01:01:22,159

...to practice what we want, without
being attacked by our medical boards.

25

01:01:23,000 --> 01:01:26,280

One of the reasons that I'm here,
and I'm stepping out, now

26

01:01:26,400 --> 01:01:29,159

...is because,
we're very--

27

01:01:29,280 --> 01:01:33,679

We're getting to a point where
doctors are not allowed to talk

28

01:01:33,800 --> 01:01:37,199

...unless they talk about
the mainstream narrative.

29

01:01:37,400 --> 01:01:39,679

And this is called

30

01:01:39,800 --> 01:01:42,159

...misinformation,
and disinformation.

31

01:01:42,280 --> 01:01:45,280

And this is really concerning
me, because now

32

01:01:45,400 --> 01:01:48,360

...it's coming, apparently,
to New Zealand.

33

01:01:48,760 --> 01:01:50,440

And we have
to stop it.

34

01:01:53,800 --> 01:01:54,840

[Dell Bigtree] And Vioxx?

35
01:01:54,960 --> 01:01:56,559
That story is
unbelievable.

36
01:01:56,800 --> 01:01:58,159
Merck, that
makes Vioxx

37
01:01:58,280 --> 01:02:01,239
...who actually actually makes
most of your childhood vaccines

38
01:02:01,360 --> 01:02:05,679
...was busted in court. Had to pay out
over three billion dollars in damages

39
01:02:05,800 --> 01:02:09,800
...for having murdered over
fifty thousand American citizens.

40
01:02:10,000 --> 01:02:12,119
And what did we discover
in that court case?

41
01:02:12,360 --> 01:02:15,400
That they knew that their
drug caused heart attacks.

42
01:02:15,639 --> 01:02:18,159
And when we looked at the
emails that were being

43
01:02:18,280 --> 01:02:21,159
...transferred between
the people working at Merck.

44
01:02:21,400 --> 01:02:23,719
We found out that they
had a memo, that says

45
01:02:23,960 --> 01:02:27,880
'Any doctor that questions
the safety of Vioxx

46

01:02:28,119 --> 01:02:31,920

'...we will hunt them down,
and destroy them where they live.'

47

01:02:54,719 --> 01:02:57,320

[Liz Gunn] Today, I'm talking
to Doctor Bruce Dooley

48

01:02:57,440 --> 01:03:01,280

...who is an American man,
who's been living in New Zealand

49

01:03:01,519 --> 01:03:04,840

...and practicing as a doctor here,
serving his community.

50

01:03:05,760 --> 01:03:08,719

Doctors around the world
though, are being attacked

51

01:03:08,840 --> 01:03:11,039

...for speaking up
at the moment.

52

01:03:11,559 --> 01:03:15,039

And the information that
we are investigating today

53

01:03:15,360 --> 01:03:19,800

...has never gone out in
such a public forum before.

54

01:03:21,039 --> 01:03:23,039

It's not even known

55

01:03:23,159 --> 01:03:26,199

...by most doctors around
the world themselves.

56

01:03:26,440 --> 01:03:27,400

Welcome, Doctor Bruce

57
01:03:27,519 --> 01:03:28,480
...Dooley.

58
01:03:28,599 --> 01:03:30,920
- This is an important
- Thanks for having me.

59
01:03:31,039 --> 01:03:32,239
...piece of information

60
01:03:32,360 --> 01:03:33,559
...for patients.

61
01:03:33,679 --> 01:03:35,039
For doctors, for

62
01:03:35,159 --> 01:03:37,119
...everybody interested
in health now, in this

63
01:03:37,360 --> 01:03:38,880
...world situation.

64
01:03:40,280 --> 01:03:43,639
What is the organisation,
that we're going to discuss?

65
01:03:45,280 --> 01:03:48,079
It's called the Federation
of State Medical Boards.

66
01:03:48,599 --> 01:03:50,480
And, it um

67
01:03:50,719 --> 01:03:53,920
...is a private organisation,
that exists in a

68
01:03:54,199 --> 01:03:56,239
...uh, suburb outside
of Dallas, actually.

69
01:03:56,360 --> 01:03:57,440
Euless, Texas.

70
01:03:57,559 --> 01:03:58,599
And, it is--

71
01:03:58,840 --> 01:04:00,119
It was

72
01:04:00,440 --> 01:04:03,320
...founded and
created in 1913.

73
01:04:03,559 --> 01:04:05,159
So it's over a
hundred years old.

74
01:04:05,280 --> 01:04:07,119
It's a private organisation,
isn't it?

75
01:04:07,239 --> 01:04:08,039
It's private.

76
01:04:08,280 --> 01:04:10,000
We're going to come
back to that. I need to

77
01:04:10,119 --> 01:04:13,480
...first of all now, establish
your qualifications as a doctor.

78
01:04:13,920 --> 01:04:15,039
Where did
you train?

79
01:04:15,320 --> 01:04:17,599
I trained at Jefferson.
It was the second oldest

80
01:04:17,719 --> 01:04:19,800
...medical school in Philadelphia,

and in the United States.

81
01:04:19,920 --> 01:04:24,199
And, prior to that, I received
my Masters in Immunology

82
01:04:24,320 --> 01:04:26,039
...and Virus
Research, actually

83
01:04:26,159 --> 01:04:28,000
...at the Villanova
University.

84
01:04:28,559 --> 01:04:29,800
And I'm, um--

85
01:04:30,039 --> 01:04:33,519
I'm active and unrestricted license
still, registered in

86
01:04:33,760 --> 01:04:36,320
...Florida, Hawaii,
and in New Zealand.

87
01:04:36,800 --> 01:04:39,960
We need, therefore, a disclaimer
for this whole interview.

88
01:04:40,079 --> 01:04:43,440
You are not here as a doctor,
ironically, are you?

89
01:04:43,559 --> 01:04:45,159
What are you--
What are you here as?

90
01:04:45,280 --> 01:04:46,960
How would you call
yourself today?

91
01:04:47,079 --> 01:04:47,880
What hat are

you wearing?

92

01:04:48,000 --> 01:04:49,840
I would say that
really I-- I'm

93

01:04:50,320 --> 01:04:54,079
...here as a concerned citizen,
who has information

94

01:04:54,199 --> 01:04:57,840
...um, that I doubt very many
other people have in the world.

95

01:04:57,960 --> 01:05:01,039
And I feel that it's
really time to reveal it.

96

01:05:01,599 --> 01:05:02,639
I'm not gonna
be naive, here.

97

01:05:02,760 --> 01:05:05,559
I've worked in mainstream media,
and I'm aware of

98

01:05:05,800 --> 01:05:09,079
...influence from that period
of working in mainstream.

99

01:05:09,320 --> 01:05:12,960
Influence that really put me off,
actually being in mainstream media.

100

01:05:13,119 --> 01:05:15,679
I think it has become
much more pronounced.

101

01:05:15,920 --> 01:05:17,800
And, the subject
matter today

102

01:05:17,920 --> 01:05:19,119

...could influence

103

01:05:19,239 --> 01:05:23,119

...the profit margin of some very big
organisations in the world.

104

01:05:23,239 --> 01:05:26,079

So I want to establish something,
before we begin.

105

01:05:26,559 --> 01:05:27,719

Is your health good?

106

01:05:27,920 --> 01:05:28,960

Very good.

107

01:05:29,079 --> 01:05:30,800

Is your mental
health good?

108

01:05:31,400 --> 01:05:32,400

I think so, yes!

109

01:05:32,519 --> 01:05:36,800

So, you would have no sense of wanting to
commit suicide, at any point?

110

01:05:36,800 --> 01:05:37,719

No, no.

111

01:05:38,079 --> 01:05:40,679

And I am the same.

I have no desire to commit suicide.

112

01:05:40,800 --> 01:05:43,079

I have the desire to
be here in the world

113

01:05:43,199 --> 01:05:44,599

...and make it
a better place.

114

01:05:44,719 --> 01:05:45,639
Would you say that's

115
01:05:45,760 --> 01:05:47,039
...your modus
operandi?

116
01:05:47,199 --> 01:05:48,280
Yes, I would.

117
01:05:48,639 --> 01:05:50,119
- Thank you.
- I'm the most optimistic guy you can

118
01:05:50,239 --> 01:05:50,599
...meet.

119
01:05:50,719 --> 01:05:51,400
- Brilliant.
- Yeah.

120
01:05:51,519 --> 01:05:54,199
And that is important,
because this

121
01:05:54,320 --> 01:05:55,960
...medical model,
that we have in the world.

122
01:05:56,079 --> 01:05:57,800
We have all seen,
in the years

123
01:05:57,920 --> 01:06:00,000
...of the rollout of
the Covid response

124
01:06:00,119 --> 01:06:02,320
...has created,
not millions

125
01:06:02,559 --> 01:06:03,679
...but billions.

126
01:06:03,800 --> 01:06:06,519
Possibly even trillions,
for certain organisations.

127
01:06:06,639 --> 01:06:09,599
So we have to be aware,
as a journalist, Doctor Bruce

128
01:06:10,239 --> 01:06:11,519
...we always
had an edict.

129
01:06:11,639 --> 01:06:14,960
If you want to follow stories,
first follow the money.

130
01:06:15,079 --> 01:06:17,360
So this involves a lot
of money, this story.

131
01:06:17,559 --> 01:06:20,000
All right, let's
begin, back in

132
01:06:20,119 --> 01:06:21,079
...1880.

133
01:06:21,280 --> 01:06:24,360
There's a quirky story you told me,
before we come to air.

134
01:06:24,480 --> 01:06:25,960
About, um.

135
01:06:26,199 --> 01:06:30,360
What America was like,
as far as state controls.

136
01:06:30,599 --> 01:06:33,000
And it comes from quite an
unusual source. Can you tell me

137
01:06:33,119 --> 01:06:33,719
- ...that story?
- Oh, yes.

138
01:06:33,840 --> 01:06:36,440
My lovely wife,
loves old books.

139
01:06:36,559 --> 01:06:37,719
And we, uh--

140
01:06:37,840 --> 01:06:40,480
She pulled out a book the other day,
that she had bought at some

141
01:06:40,599 --> 01:06:41,199
...book fair.

142
01:06:41,400 --> 01:06:43,599
And uh, it was, um--

143
01:06:43,840 --> 01:06:45,280
Uh. Some, you
know-- Just a

144
01:06:45,400 --> 01:06:48,079
...list of governmental departments,
in the Federal Government

145
01:06:48,199 --> 01:06:49,920
...back in 1880.

146
01:06:50,079 --> 01:06:52,039
And, she said, uh.

147
01:06:52,280 --> 01:06:54,679
'Bruce,' she says 'this is really interesting.'
She says, 'Look at this.'

148
01:06:54,800 --> 01:06:57,360
And, the Department of Treasury,
The Department of this--

149
01:06:57,480 --> 01:06:58,440
But, I looked at, and--

150
01:06:58,559 --> 01:07:00,400
There was no
Department of Health.

151
01:07:01,559 --> 01:07:03,280
And, uh--
I thought

152
01:07:03,400 --> 01:07:04,639
Well, that's
interesting.

153
01:07:04,880 --> 01:07:05,840
And, so--

154
01:07:05,960 --> 01:07:08,159
What I take
from that, is that

155
01:07:08,280 --> 01:07:10,199
...the doctors of
the time, um

156
01:07:10,440 --> 01:07:12,920
...were-- They were
in charge of the health.

157
01:07:13,039 --> 01:07:14,480
And it was just
basically said, you know

158
01:07:14,599 --> 01:07:16,559
'This is your ball.
You take care of it.'

159
01:07:16,679 --> 01:07:18,760
It's not a federal, uh, thing.
State by state.

160
01:07:18,880 --> 01:07:21,000
[Indistinct] What we have
in the United States.

161
01:07:22,039 --> 01:07:26,360
I met at a conference
of doctors, earlier this year.

162
01:07:26,679 --> 01:07:28,960
I met, uh,
an older doctor

163
01:07:29,079 --> 01:07:30,760
...who was from
England, originally.

164
01:07:30,880 --> 01:07:32,559
His father had
been a doctor.

165
01:07:32,800 --> 01:07:34,320
And he told me,
that his father's

166
01:07:34,440 --> 01:07:36,360
...advice to him, as
a young doctor was

167
01:07:36,599 --> 01:07:38,559
'You must protect
your patients

168
01:07:38,679 --> 01:07:39,519
'...from the state.'

169
01:07:39,760 --> 01:07:41,880
- Hmm
- It's a very unusual

170
01:07:42,000 --> 01:07:43,440
...thing for a
doctor to say, now.

171
01:07:43,880 --> 01:07:46,679
Tell me about your background,
as a doctor.

172
01:07:46,800 --> 01:07:49,119
What was in your
familial background?

173
01:07:49,639 --> 01:07:51,400
Well, my father
was a doctor.

174
01:07:51,519 --> 01:07:53,719
And I grew up, around
doctors, you know.

175
01:07:53,840 --> 01:07:56,519
They would be over for dinner,
and all that, and um--

176
01:07:56,760 --> 01:07:59,320
You know--
I distinctly remember

177
01:07:59,440 --> 01:08:03,039
...that the doctors
of that time were--

178
01:08:03,159 --> 01:08:05,239
They were the captains
of their own ship.

179
01:08:05,360 --> 01:08:09,000
They were not being, uh,
on salary to anybody.

180
01:08:09,119 --> 01:08:10,880
They were
independent, uh.

181
01:08:11,159 --> 01:08:14,079
And, um. There
wasn't even any, um--

182
01:08:14,199 --> 01:08:16,560
Actually private medical
insurance, as you say

183
01:08:16,680 --> 01:08:18,800
...until I remember
a certain time, when

184
01:08:18,920 --> 01:08:20,000
...that actually
happened.

185
01:08:20,119 --> 01:08:21,840
When private medical insurance
came in, and I thought

186
01:08:21,960 --> 01:08:23,119
'That's pretty
interesting.'

187
01:08:23,239 --> 01:08:23,760
Can you tell me

188
01:08:23,880 --> 01:08:25,479
...that story.
Your memory of it?

189
01:08:25,600 --> 01:08:26,960
Right. It was
a surgeon.

190
01:08:27,079 --> 01:08:29,000
Actually, his name was
Chuck Miller. He's gone, now.

191
01:08:29,119 --> 01:08:31,520
But, he was telling--
He said to my dad

192
01:08:31,640 --> 01:08:33,560
'You know, Mike!'
He said, um

193
01:08:33,680 --> 01:08:35,720
'You know, I took a boil
off a guy the other day

194
01:08:35,840 --> 01:08:37,560
'... off his back.'
And he said, uh

195
01:08:37,800 --> 01:08:39,119
'You know, um

196
01:08:39,359 --> 01:08:41,159
'Charlie...'
Another surgeon, said

197
01:08:41,960 --> 01:08:45,199
'Hey, next time you do that, if the
patient has private insurance

198
01:08:45,319 --> 01:08:46,720
'...just bill the
insurance directly

199
01:08:46,840 --> 01:08:48,800
'...instead of the twenty-five
dollars that you

200
01:08:49,079 --> 01:08:51,560
'...uh, charged your--
the patient for the boil.'

201
01:08:51,680 --> 01:08:52,920
And, um.

202
01:08:53,159 --> 01:08:54,960
So, Char--
And Chuck said, uh.

203
01:08:55,079 --> 01:08:57,000
He said, 'So I did it.
The next one that came in.

204
01:08:57,119 --> 01:09:00,079
'I billed this guys, what
they call private insurance

205
01:09:00,199 --> 01:09:01,760
'I billed them two
hundred dollars

206
01:09:01,880 --> 01:09:03,319
'And they
paid it!'

207
01:09:03,560 --> 01:09:05,640
And it turned out that,
at the time when

208
01:09:05,760 --> 01:09:07,560
...private insurance
was coming in

209
01:09:07,680 --> 01:09:08,600
...to the scene.

210
01:09:08,720 --> 01:09:10,159
Getting in between,
if you will,

211
01:09:10,279 --> 01:09:12,000
...between the patient,
and the doctor.

212
01:09:12,239 --> 01:09:14,359
Um, that they were
paying everything.

213
01:09:14,479 --> 01:09:15,920
Anything that the
doctor billed.

214
01:09:16,039 --> 01:09:16,960
Captain of
the ship.

215
01:09:17,199 --> 01:09:18,880
And, of course,
as years went on

216
01:09:19,000 --> 01:09:20,840
...it got less, and
less, and less.

217
01:09:20,960 --> 01:09:21,479
- It's very
- So.

218
01:09:21,600 --> 01:09:24,640
... relevant, that story, to what we'll
talk about today, because

219
01:09:24,880 --> 01:09:28,399
...because in that way it can become
one of the levers for controlling

220
01:09:28,520 --> 01:09:30,520
- Hmm.
- ...how a doctor treats the patient.

221
01:09:30,640 --> 01:09:32,319
For telling a doctor
what to do.

222
01:09:32,439 --> 01:09:34,960
There are other levers,
as we're going to find out.

223
01:09:35,079 --> 01:09:37,640
But back to these
halcyon days, of simple

224
01:09:38,039 --> 01:09:41,720
...medical practice. There was
this sacrosanct relationship

225
01:09:41,960 --> 01:09:42,319
Hmm.

226
01:09:42,439 --> 01:09:43,399
...of patient and doctor.

227
01:09:43,560 --> 01:09:45,479
- Yeah.
- Tell us more about that.

228
01:09:46,640 --> 01:09:48,199
Well, I-- I mean.

229
01:09:48,319 --> 01:09:52,319
I'd like to think that I still have that
kind of relationship with my patients.

230
01:09:52,520 --> 01:09:55,199
And because I operate
as a private consultant.

231
01:09:55,319 --> 01:09:58,279
And I don't have any
master over me.

232
01:09:58,439 --> 01:09:59,880
And, um--

233
01:10:00,119 --> 01:10:00,880
And, so--

234
01:10:01,119 --> 01:10:02,600
What it was, was--

235
01:10:03,199 --> 01:10:08,199
The relationship was getting to know
the patient, in terms of his or her family.

236
01:10:08,439 --> 01:10:09,880
The stresses
in the family.

237
01:10:10,119 --> 01:10:14,000
Um, and ... so there was
an awful like, unspoken

238
01:10:14,119 --> 01:10:16,520
...acknowledgement
that, um--

239
01:10:16,840 --> 01:10:21,600
The-- Whatever psychological issues,
may be impacting the health.

240
01:10:21,760 --> 01:10:23,560
And it was really
interesting, because

241
01:10:23,680 --> 01:10:26,319
...it seemed like, at
the time, that um ...

242
01:10:26,439 --> 01:10:29,000
...that patients would
go to their trusted doctor.

243
01:10:29,119 --> 01:10:30,760
And a doctor
would, um

244
01:10:30,880 --> 01:10:33,000
...would would put a
stethoscope, and listen, and

245
01:10:33,119 --> 01:10:34,439
Ya know,
and then say

246
01:10:34,560 --> 01:10:36,239
'You know,
Harry. You're

247
01:10:36,359 --> 01:10:37,039
'...gonna be fine.'

248
01:10:37,159 --> 01:10:41,520
And Harry would go, 'Huh! Doc said
I'm gonna be fine.' And so, now.

249
01:10:41,640 --> 01:10:43,640

Um, because of
malpractice, and

250
01:10:43,760 --> 01:10:44,680
...all of the
other things

251
01:10:44,800 --> 01:10:46,720
... you have to do all these testings,
and you never--

252
01:10:46,840 --> 01:10:49,840
And, the doctors aren't free,
to give the message

253
01:10:50,079 --> 01:10:51,680
... that 'Everything's fine.
Don't worry!'

254
01:10:51,800 --> 01:10:53,119
It's always like, 'Well

255
01:10:53,640 --> 01:10:55,479
'...those tests were okay,
but we have to do some more tests.'

256
01:10:55,600 --> 01:10:56,760
So that, there's that--

257
01:10:57,079 --> 01:10:58,159
Do you know
what I'm saying?

258
01:10:58,279 --> 01:11:00,680
That placebo effect, which is
very powerful, by the way.

259
01:11:00,800 --> 01:11:03,319
Placebo is very power--
Nobody is gonna deny that.

260
01:11:03,439 --> 01:11:05,560
That we can
actually, um

261
01:11:05,680 --> 01:11:07,560
...encourage
patients to, um

262
01:11:08,079 --> 01:11:09,760
...get back
to health, just

263
01:11:10,000 --> 01:11:11,760
...through that kind
of process. And I

264
01:11:11,880 --> 01:11:13,039
... I think that, that--

265
01:11:13,720 --> 01:11:15,720
The insurance
companies, and the

266
01:11:15,840 --> 01:11:17,439
...the malpractice,
and all of that, has

267
01:11:17,560 --> 01:11:18,439
...really gotten
in the way

268
01:11:18,560 --> 01:11:20,439
...uh, of that
relationship.

269
01:11:20,680 --> 01:11:21,520
- [Indistinct]
- There's-- It's

270
01:11:21,640 --> 01:11:22,319
...very much a

271

01:11:22,439 --> 01:11:24,880
...personal thing that you're talking about,
in those old doctors, too.

272
01:11:25,000 --> 01:11:26,359
It's looking patients
in the face.

273
01:11:26,479 --> 01:11:27,439
- Yeah!
- It's getting to know

274
01:11:27,560 --> 01:11:28,439
- Spending time!
- ...the families.

275
01:11:28,560 --> 01:11:29,560
- Spending time.
- Spending time.

276
01:11:29,680 --> 01:11:31,800
So, the reason
for this is

277
01:11:31,920 --> 01:11:34,199
...that period, doctors
had great autonomy.

278
01:11:34,319 --> 01:11:35,880
They could choose.

279
01:11:36,359 --> 01:11:38,800
They could choose,
among a variety of things

280
01:11:38,920 --> 01:11:40,359
...they might
wish to say

281
01:11:40,479 --> 01:11:42,319
- Mm-hmm.
- ...to that particular patient.

282

01:11:42,439 --> 01:11:44,359
Has that autonomy
been eaten into?

283
01:11:46,039 --> 01:11:47,319
It's been crushed.

284
01:11:48,600 --> 01:11:50,279
And, that's why I'm here.

285
01:11:50,720 --> 01:11:52,720
So, in this confusion

286
01:11:53,279 --> 01:11:56,239
Let's ... simplify it, by
going back to medicine

287
01:11:56,359 --> 01:11:58,479
...at the turn
of last century.

288
01:11:58,600 --> 01:12:00,399
Could we look at what
that model was like

289
01:12:00,520 --> 01:12:02,520
...and then contrast it with
what's been happening now.

290
01:12:02,640 --> 01:12:03,840
What was it like?

291
01:12:03,960 --> 01:12:06,319
Well, at the turn of
last century actually, um

292
01:12:06,439 --> 01:12:08,359
...pharmaceuticals, actually
hadn't even really--

293
01:12:08,479 --> 01:12:10,960
They were just trying
to get a foothold, and uh.

294
01:12:11,239 --> 01:12:13,720
Um, so
most of the--

295
01:12:13,840 --> 01:12:16,800
Most of the treatment processes
were what we would call

296
01:12:16,920 --> 01:12:19,239
...today, natural
medicine.

297
01:12:19,359 --> 01:12:22,119
There is herbal,
and uh

298
01:12:22,239 --> 01:12:24,199
...body work being
done on people.

299
01:12:24,319 --> 01:12:27,680
Uh, things like
colonic therapies, and--

300
01:12:28,880 --> 01:12:30,279
Diet, nutrition.
My gosh!

301
01:12:30,399 --> 01:12:34,479
The Kellogg Foundation was
all about diet and exercise.

302
01:12:34,600 --> 01:12:38,359
Um, and ...
strengthening the terrain.

303
01:12:38,720 --> 01:12:41,960
Cleaning up the terrain,
so that you are strong, and

304
01:12:42,079 --> 01:12:43,960
- ...you don't get sick.

- The terrain being your constitution.

305

01:12:44,479 --> 01:12:46,560

- Yeah!

- Your body. The environment within the body.

306

01:12:46,800 --> 01:12:48,039

It makes such sense!

307

01:12:48,159 --> 01:12:50,239

The point is, Liz, is that.

308

01:12:50,920 --> 01:12:52,760

If you're in
homeostatic balance.

309

01:12:52,880 --> 01:12:54,680

What we call
homeostasis, okay?

310

01:12:54,880 --> 01:12:57,439

Um, the body, uh--

311

01:12:57,760 --> 01:12:59,319

The body will
never get sick.

312

01:13:00,159 --> 01:13:01,319

Think about that
for a second.

313

01:13:01,439 --> 01:13:03,239

If we-- If we
were taught--

314

01:13:03,359 --> 01:13:04,600

So, I was taught in--

315

01:13:04,720 --> 01:13:07,439

The first day of pathology,
in medical school

316

01:13:07,800 --> 01:13:10,319
...we were taught about this
homeostasis. This balance.

317
01:13:10,439 --> 01:13:11,520
- Hmm.
- Right?

318
01:13:12,439 --> 01:13:13,840
And I thought,
'Wow, this is exciting!'

319
01:13:13,960 --> 01:13:15,000
You know,
they're gonna

320
01:13:15,119 --> 01:13:17,439
...teach me, how to keep
the body into balance.

321
01:13:17,840 --> 01:13:18,560
And then--

322
01:13:18,680 --> 01:13:22,079
Almost the next day, they start talking about
pharmaceuticals for the rest of the year.

323
01:13:22,479 --> 01:13:24,439
What drug
to apply--

324
01:13:24,560 --> 01:13:25,039
And I thought

325
01:13:25,159 --> 01:13:27,159
'What happened to that
homeostatic balance thing?'

326
01:13:27,279 --> 01:13:28,359
Well I ended up

327
01:13:28,840 --> 01:13:30,359
...retraining myself, basically,

over the years

328

01:13:30,479 --> 01:13:32,920
...to go to people
who would teach me

329

01:13:33,039 --> 01:13:34,840
...about detoxification, and

330

01:13:34,960 --> 01:13:37,439
...and about heavy
metal toxicities, and

331

01:13:37,560 --> 01:13:40,680
...about these things that
do tend to tip the body out of

332

01:13:40,800 --> 01:13:42,920
...homeostasis, and
then people get sick.

333

01:13:43,600 --> 01:13:45,800
Are you saying
the body has its own

334

01:13:46,159 --> 01:13:48,399
...healing mechanisms?
It's own

335

01:13:48,520 --> 01:13:51,039
All the time. We're just
one big healing machine.

336

01:13:51,159 --> 01:13:52,640
And it's meant
to be that way.

337

01:13:52,760 --> 01:13:54,279
And, you know,
at any point in time

338

01:13:54,880 --> 01:13:56,840
...all of us have

cancer cells in our body

339

01:13:56,960 --> 01:13:59,600
...because, you know, when you're
producing this many cells

340

01:13:59,720 --> 01:14:01,880
...uh, there's gonna be
funny looking cells.

341

01:14:02,000 --> 01:14:03,960
But, you know,
our immune system

342

01:14:04,079 --> 01:14:07,520
...which is, uh-- I study for
two years and, believe me

343

01:14:07,640 --> 01:14:11,199
...you get religion, when you start
studying the immune system at that level.

344

01:14:11,319 --> 01:14:14,880
Uh, our immune system's there,
like centuries, to take out the bad guys.

345

01:14:15,000 --> 01:14:16,720
To take out--
Make sure they don't grow.

346

01:14:16,840 --> 01:14:19,720
But if the immune system
is punch drunk, or

347

01:14:19,840 --> 01:14:23,359
...being, uh, diverted by
attention somewhere else, or

348

01:14:23,479 --> 01:14:25,359
...um, you know,
just eating

349

01:14:25,479 --> 01:14:28,439

...you know, bad food, and
falling asleep all the time, tired.

350
01:14:28,560 --> 01:14:31,920
Well then that cancer cell will
get loose, and set up shop.

351
01:14:32,039 --> 01:14:35,000
And then we have cancer.
Uh, you know.

352
01:14:35,119 --> 01:14:36,199
We have a cancer. Tumour

353
01:14:36,319 --> 01:14:37,439
...that's now a problem.

354
01:14:37,560 --> 01:14:39,199
So going back to the
turn of the century

355
01:14:39,319 --> 01:14:40,880
...we had this
awareness.

356
01:14:41,000 --> 01:14:44,439
But let's talk about then,
what happened in

357
01:14:44,560 --> 01:14:46,079
...1913. And we're
coming into this

358
01:14:46,199 --> 01:14:49,399
...organisation, of which
I had never heard.

359
01:14:49,520 --> 01:14:52,560
Nobody I have asked,
has ever heard of it.

360
01:14:52,680 --> 01:14:54,840
And, I understand,

from research I've done

361

01:14:54,960 --> 01:14:57,720
...most doctors have
no idea that it exists.

362

01:14:57,840 --> 01:14:58,560
- I had no idea.
- Tell us about it.

363

01:14:58,960 --> 01:14:59,840
You had no idea?

364

01:14:59,960 --> 01:15:01,960
Oh, I had no idea.
In fact, um.

365

01:15:02,079 --> 01:15:05,000
I can tell you right
now that, um. It's--

366

01:15:05,119 --> 01:15:07,800
I have never
met a doctor ... uh.

367

01:15:07,920 --> 01:15:10,399
When I bring up the Federation
of State Medical Boards

368

01:15:10,520 --> 01:15:12,239
...who knows what
I'm talking about.

369

01:15:12,359 --> 01:15:15,359
And, little do they know
how much their

370

01:15:15,479 --> 01:15:20,039
...medical registration
actually ... is being, um

371

01:15:21,239 --> 01:15:24,199
...actioned through

that organisation.

372

01:15:24,479 --> 01:15:25,399
But we'll talk
about how that--

373

01:15:25,520 --> 01:15:27,479
And it is a
private organisation.

374

01:15:27,600 --> 01:15:31,199
This is nothing transparent.
This is nothing voted on.

375

01:15:31,319 --> 01:15:34,840
This is nothing that is ... brought
out in the media, anywhere that

376

01:15:34,960 --> 01:15:35,840
...I can see in the world.

377

01:15:35,960 --> 01:15:37,920
- No, and it--
- And it influences

378

01:15:38,039 --> 01:15:41,359
...New Zealand's
Medical Council.

379

01:15:41,479 --> 01:15:44,000
And it influences medical
boards and councils

380

01:15:44,119 --> 01:15:45,359
- ...around the world.
- Hmm.

381

01:15:45,479 --> 01:15:47,000
- Not just in America.
- Yeah.

382

01:15:47,119 --> 01:15:49,600
I think that you ..., um.

383
01:15:50,239 --> 01:15:53,600
The international arm
of the Federation was

384
01:15:53,720 --> 01:15:57,680
...established in
the mid 1990s.

385
01:15:57,800 --> 01:16:00,720
So, it's relatively new.
Now, it's thirty years, so--

386
01:16:00,840 --> 01:16:05,680
And, um ... so New Zealand
has joined that international arm.

387
01:16:05,800 --> 01:16:07,760
Uh, and it's still--

388
01:16:07,880 --> 01:16:11,279
It's located, the same address,
400 Fuller Street

389
01:16:11,399 --> 01:16:13,960
[Dr Dooley] ...Fuller Drive,
in Euless, Texas.

390
01:16:14,079 --> 01:16:15,920
And by the way, that's
a very interesting thing

391
01:16:16,039 --> 01:16:17,520
...and hopefully you'll be able
to show a picture of it.

392
01:16:17,640 --> 01:16:19,000
But, this is a--

393
01:16:19,119 --> 01:16:23,439
...not insignificant complex.
It's two massive, two-story buildings

394
01:16:23,560 --> 01:16:26,720
...with three hundred
plus employees.

395
01:16:26,840 --> 01:16:29,000
Uh, that is

396
01:16:29,359 --> 01:16:32,720
...you know, is really
quite a large organisation.

397
01:16:32,840 --> 01:16:33,560
Oddly, it's tucked away

398
01:16:33,680 --> 01:16:35,119
...in a suburban street

399
01:16:35,239 --> 01:16:36,319
- Mm-hmm.
- ...in Texas.

400
01:16:36,439 --> 01:16:38,439
But it does have a sister
branch in Washington

401
01:16:38,560 --> 01:16:39,319
- Yes it does.
- ...doesn't it?

402
01:16:39,439 --> 01:16:40,279
Yeah.

403
01:16:40,600 --> 01:16:43,399
It's very ... unusual

404
01:16:43,520 --> 01:16:45,000
...that we would know
nothing about this.

405
01:16:45,119 --> 01:16:48,119
But take us back to the formation,
so we can begin there.

406
01:16:48,359 --> 01:16:49,920
Can you
research, easily

407
01:16:50,039 --> 01:16:52,199
...the formation of
this organisation?

408
01:16:52,319 --> 01:16:54,640
Is there paperwork?
Are they discussions?

409
01:16:54,760 --> 01:16:58,039
Is there governmental interplay
with the people founding this?

410
01:16:58,159 --> 01:17:01,159
- What was your research yielding?
- It is ... um.

411
01:17:01,760 --> 01:17:05,800
It is absolutely astonishing to me,
that an organisation this old

412
01:17:05,920 --> 01:17:08,520
- And this powerful.
- And this much influence.

413
01:17:08,640 --> 01:17:09,439
- Hmm.
- And power

414
01:17:09,560 --> 01:17:10,840
...if you would
say, yeah.

415
01:17:10,960 --> 01:17:14,399
Uh, seems to have risen
out of nowhere.

416
01:17:14,640 --> 01:17:16,319
Um, I can't find--

417
01:17:16,439 --> 01:17:18,359
It's almost like
there's a blackout.

418
01:17:18,439 --> 01:17:20,359
Uh, on where
this came from

419
01:17:20,479 --> 01:17:23,600
...in 1913, which is an
interesting year in itself.

420
01:17:23,960 --> 01:17:25,359
Why do you say
it's an interesting year?

421
01:17:25,479 --> 01:17:26,359
Well, that was
the year that

422
01:17:26,479 --> 01:17:30,279
[Dr Dooley] ...the Federal Reserve
was formed, and that's a

423
01:17:30,399 --> 01:17:34,039
...a story about how that came to be.
And also, it was the same year

424
01:17:34,159 --> 01:17:38,479
...that the Internal Revenue Service.
The first taxation of Americans

425
01:17:38,600 --> 01:17:40,239
...uh, income tax

426
01:17:40,359 --> 01:17:45,159
...was done. So, it was a very
powerful, busy year I think.

427
01:17:45,279 --> 01:17:49,119
Hmm, and this organi-- that's an interesting
one just to leave hanging there

428
01:17:49,239 --> 01:17:52,319
...because this is big
control mechanisms for money.

429
01:17:52,439 --> 01:17:54,600
- [Dr Dooley] Hmm.
- And this organisation

430
01:17:54,720 --> 01:17:56,680
... was at its heart,
it seems to me

431
01:17:56,920 --> 01:17:59,000
...an absolute
control mechanism

432
01:17:59,119 --> 01:18:00,520
...for doctors!

433
01:18:01,640 --> 01:18:02,920
[Dr Dooley] Well, it's--

434
01:18:04,399 --> 01:18:05,720
I mean, I believe that.

435
01:18:05,840 --> 01:18:11,720
Um, and its-- And it seems to stack up
with what happened historically, back then

436
01:18:12,000 --> 01:18:14,920
...which was, as you--
we were talking about.

437
01:18:15,039 --> 01:18:17,960
The natural medical
therapies were being taught.

438
01:18:18,159 --> 01:18:18,920
Um.

439
01:18:19,960 --> 01:18:23,520

Actually, I understand there's like
two thousand medical schools back then

440
01:18:23,640 --> 01:18:26,920
...um, that were teaching
all kinds of natural therapies.

441
01:18:27,039 --> 01:18:28,199
And, uh.

442
01:18:28,319 --> 01:18:29,439
The--

443
01:18:30,560 --> 01:18:31,840
The, uh.

444
01:18:32,600 --> 01:18:35,199
Uh, friend of
Rockefeller

445
01:18:35,920 --> 01:18:37,119
[Dr Dooley] ...Dale Carnegie

446
01:18:37,239 --> 01:18:40,039
...commissioned a
fellow named Flexner

447
01:18:40,159 --> 01:18:43,319
...to basically
investigate these

448
01:18:43,439 --> 01:18:44,319
...medical schools.

449
01:18:44,760 --> 01:18:47,319
And, he came out
with what we call

450
01:18:47,439 --> 01:18:48,600
[Dr Dooley] ...the Flexner Report

451
01:18:48,720 --> 01:18:50,760

...which is quite famous
among us, that we know

452
01:18:50,880 --> 01:18:52,399
...which basically wiped out

453
01:18:53,359 --> 01:18:55,000
...all but about a
hundred and fifty medical

454
01:18:55,119 --> 01:18:55,720
...schools.

455
01:18:55,840 --> 01:18:57,439
From two thousand
to a hundred and fifty?

456
01:18:57,560 --> 01:18:59,960
Yeah ... they basically

457
01:19:00,079 --> 01:19:02,039
...um, eliminated them.

458
01:19:02,159 --> 01:19:04,880
Their license to
teach, et cetera.

459
01:19:05,000 --> 01:19:07,239
And, they established

460
01:19:07,479 --> 01:19:10,520
...a very small number of
allopathic medical schools.

461
01:19:10,720 --> 01:19:11,960
Um, yep!

462
01:19:12,199 --> 01:19:14,800
And so there was a homeopathic
medical school at the time

463
01:19:14,920 --> 01:19:16,439

...which actually
was in my town

464
01:19:16,560 --> 01:19:19,279
...Samuel Hahnemann
Medical.

465
01:19:19,560 --> 01:19:21,399
[Dr Dooley] Samuel
Hahnemann was the

466
01:19:21,520 --> 01:19:23,319
...founder of
homeopathy, and

467
01:19:23,560 --> 01:19:25,880
...homeopathy at the time,
was really powerful.

468
01:19:26,319 --> 01:19:30,479
It was, actually very much a
competitor to the pharmaceutical

469
01:19:30,600 --> 01:19:32,399
...that was just being
established at the time.

470
01:19:32,760 --> 01:19:35,399
As a mother, I became
fascinated with Hahnemann.

471
01:19:35,520 --> 01:19:38,720
I read all about him, and I studied
a certain amount to help my children.

472
01:19:38,840 --> 01:19:39,479
- H-hmm.
- I had

473
01:19:39,600 --> 01:19:41,560
- ...phenomenal results with babies.
- H-hmm.

474

01:19:41,680 --> 01:19:43,039
So that's not psychosomatic.

475
01:19:43,159 --> 01:19:44,880
That's-- I couldn't
suggest to them.

476
01:19:45,000 --> 01:19:46,800
- But, Hahnemann was a doctor.
- H-hmm.

477
01:19:46,920 --> 01:19:48,399
Who was disillusioned
with people coming

478
01:19:48,520 --> 01:19:50,520
...back and back
to him, still sick!

479
01:19:50,640 --> 01:19:54,840
And he wanted to find something that would
help their immune system be stronger.

480
01:19:54,960 --> 01:19:55,359
So, that's

481
01:19:55,479 --> 01:19:57,319
...fascinating, that
there was actually

482
01:19:57,439 --> 01:20:00,079
...this system in America

483
01:20:00,199 --> 01:20:03,319
...that was supporting both
pharmaceutical, in its early days

484
01:20:03,800 --> 01:20:06,359
...and, an alternative,
that was yielding

485
01:20:06,479 --> 01:20:07,680
- ...good results.

- And the doctors came

486

01:20:07,800 --> 01:20:09,000
...from the same
medical school.

487

01:20:09,119 --> 01:20:11,880
Except what-- Some doctors
decided to go with Hahnemann.

488

01:20:12,000 --> 01:20:16,279
And some doctors decided to go with
Rockefeller, and the pharmaceutical.

489

01:20:16,399 --> 01:20:19,039
And, so ... of course
pharmaceuti--

490

01:20:19,159 --> 01:20:22,359
Homeopathy was
non-patentable.

491

01:20:22,479 --> 01:20:24,840
Uh, was non-toxic.

492

01:20:25,079 --> 01:20:26,720
Very cheap to produce!

493

01:20:27,079 --> 01:20:29,840
Yeah, very cheap to produce.
And in fact even today

494

01:20:29,960 --> 01:20:34,479
...it's ridiculously cheap to buy homeopathic
medications, if you can find them.

495

01:20:34,720 --> 01:20:36,520
And there are many people
who testify to having

496

01:20:36,640 --> 01:20:39,479
...had very good results with that,
which is interesting.

497
01:20:40,039 --> 01:20:41,960
Rockefeller is an
interesting name

498
01:20:42,079 --> 01:20:43,520
...because when
we look at

499
01:20:43,640 --> 01:20:47,119
...allopathic medicine, which is
based around pharmaceuticals.

500
01:20:47,439 --> 01:20:50,800
[Liz] Rockefeller, the Rockefeller
name, is woven

501
01:20:50,920 --> 01:20:52,000
- [Dr Dooley] Hmm.
- ...throughout that.

502
01:20:52,119 --> 01:20:54,039
- [Dr Dooley] Yeah.
- From its genesis. Right through.

503
01:20:54,159 --> 01:20:55,039
[Dr Dooley]
There's no debating that.

504
01:20:55,159 --> 01:20:57,279
[Liz] No, there's no debating.
That's well known.

505
01:20:57,399 --> 01:20:59,960
Rockefeller, prior to
that, was really

506
01:21:00,079 --> 01:21:03,000
...deeply invested in

507
01:21:03,119 --> 01:21:04,319
- ...in oil.
- Standard oil, yeah.

508
01:21:04,439 --> 01:21:05,000
Yep!

509
01:21:05,279 --> 01:21:09,520
So ... do we know if
Rockefeller was part of

510
01:21:09,880 --> 01:21:11,640
...the founding of
this organisation.

511
01:21:11,760 --> 01:21:13,840
Do we have
any links to that?

512
01:21:14,359 --> 01:21:16,479
No, we don't.

513
01:21:16,960 --> 01:21:19,199
What's interesting,
from my research, though

514
01:21:19,319 --> 01:21:23,680
...is that when these medical schools
were reduced down in number

515
01:21:24,079 --> 01:21:27,119
...there had to be a
Rockefeller appointee

516
01:21:27,239 --> 01:21:29,119
...on the board of every
one of those medical

517
01:21:29,239 --> 01:21:29,840
...schools.

518
01:21:29,960 --> 01:21:33,119
And to me, as a journalist,
that points to

519

01:21:33,239 --> 01:21:36,840

...some link that at
least deserves deeper

520

01:21:36,960 --> 01:21:38,600

...investigation. Would
you agree with that

521

01:21:38,720 --> 01:21:40,079

- ...Doctor Bruce?
- Well ... I mean

522

01:21:40,680 --> 01:21:43,079

...yes! And I have tried
the deeper investigations

523

01:21:43,199 --> 01:21:46,840

...after my experiences
with the Federation.

524

01:21:46,960 --> 01:21:50,720

And ... all I can
tell you is that, uh.

525

01:21:50,960 --> 01:21:51,800

Who?

526

01:21:52,479 --> 01:21:54,600

Who, in 1913

527

01:21:54,840 --> 01:21:59,479

...would be interested in creating
an organisation that had

528

01:21:59,600 --> 01:22:02,479

...um, that had influence

529

01:22:02,720 --> 01:22:05,119

...initially, with the
medical boards

530

01:22:05,239 --> 01:22:07,520

...who controlled the

licenses of the doctors.

531

01:22:08,039 --> 01:22:09,680

And, where did that
money come from?

532

01:22:09,800 --> 01:22:11,479

Well, there was a lot
of big money back then.

533

01:22:11,600 --> 01:22:15,920

You know, the Rockefellers, and the
Carnegies, and the Mellons, and the--

534

01:22:16,039 --> 01:22:21,239

You know, and so-- And they all were together.
They all, they all tangled together.

535

01:22:21,359 --> 01:22:23,319

Um ... So.

536

01:22:23,800 --> 01:22:25,520

Nobody else
that I know of

537

01:22:25,640 --> 01:22:29,399

...would have had the funding
to create such an organisation.

538

01:22:30,039 --> 01:22:32,319

It's a really interesting
question mark

539

01:22:32,439 --> 01:22:37,319

...that Rockefeller influence, which has been
profound on the development of our supposed--

540

01:22:37,439 --> 01:22:38,920

...so-called
modern medicine.

541

01:22:39,159 --> 01:22:43,399

Let's go to the result

of that 1913 formation

542

01:22:43,640 --> 01:22:47,079

- ...of this F-S-M-B, as it's known.

- Hmm.

543

01:22:47,560 --> 01:22:49,520

What were the

early results?

544

01:22:51,199 --> 01:22:56,239

Well the early results were basically,

that-- The concept was that

545

01:22:56,359 --> 01:22:57,239

Um.

546

01:22:57,760 --> 01:22:58,840

You ...

547

01:22:59,560 --> 01:23:02,479

...had this organisation,

that was a

548

01:23:02,600 --> 01:23:06,119

...private organisation, that was

a membership organisation.

549

01:23:06,239 --> 01:23:08,880

Kind of like the World Health Organisation's,

a membership organisation.

550

01:23:09,000 --> 01:23:10,199

Countries

are members.

551

01:23:10,600 --> 01:23:12,239

In this particular

case, um

552

01:23:12,359 --> 01:23:16,159

...the medical boards,

or councils, in the states

553
01:23:16,279 --> 01:23:19,520
...had been in existence for--
Some of 'em, a hundred or more years.

554
01:23:19,760 --> 01:23:23,039
And, they had the primary focus of
making sure the doctors were

555
01:23:23,279 --> 01:23:26,359
...ethical, and that they were doing good medicine,
and that they weren't harming people.

556
01:23:26,479 --> 01:23:28,640
And the mandate of
every medical board

557
01:23:28,880 --> 01:23:31,279
...since way before
the Federation, is

558
01:23:31,399 --> 01:23:35,199
...'Protect the Public from harm.' It's a
four letter word that they jump to. Harm.

559
01:23:36,119 --> 01:23:39,119
And some of the ways that
played out, might be a doctor, who

560
01:23:39,239 --> 01:23:41,399
...is being reported
for being drunk, or

561
01:23:41,520 --> 01:23:42,520
- ...doing drugs, or
- Yeah, exactly!

562
01:23:42,640 --> 01:23:44,279
- Exactly. And that's all
- ...perhaps--

563
01:23:44,399 --> 01:23:46,319
- ...reasonable. It's a check and balance.

- Yes.

564
01:23:46,439 --> 01:23:47,359
It was a check
and balance.

565
01:23:47,479 --> 01:23:49,239
And, these
were doctors

566
01:23:50,199 --> 01:23:51,159
...that we're
running it

567
01:23:51,279 --> 01:23:52,640
...checking on
balance on themselves.

568
01:23:52,760 --> 01:23:53,560
- Hmm.
- Okay? As I said

569
01:23:53,680 --> 01:23:55,960
...you know, they basically
were running the ship.

570
01:23:56,840 --> 01:24:01,800
So ... this new membership
organisation, developed in 1913.

571
01:24:01,920 --> 01:24:05,000
And what they
did was, because the--

572
01:24:05,119 --> 01:24:10,039
These medical councils, medical boards,
were government agencies.

573
01:24:10,520 --> 01:24:11,840
Um, they

574
01:24:12,159 --> 01:24:13,680
...said, let's--

575
01:24:13,920 --> 01:24:17,079
We're gonna have a
membership thing, pay a fee

576
01:24:17,199 --> 01:24:20,560
...and we'll have annual membership meeting,
and we'll begin to work together.

577
01:24:20,800 --> 01:24:25,279
And, so essentially it started off as like,
well that sounds like a good idea.

578
01:24:25,479 --> 01:24:27,840
And it may have
come about ...

579
01:24:28,600 --> 01:24:30,640
...with the
intention of

580
01:24:30,760 --> 01:24:34,520
...you know, being able to
influence these medical boards.

581
01:24:34,640 --> 01:24:36,640
And, uh, they
certainly do now.

582
01:24:36,760 --> 01:24:39,279
So ... then
we have, this

583
01:24:39,399 --> 01:24:41,319
[Liz] ...this very, um

584
01:24:41,800 --> 01:24:42,439
...opaque

585
01:24:42,560 --> 01:24:43,720
...board

586

01:24:43,840 --> 01:24:46,399

...developing more and
more power over the years.

587

01:24:46,479 --> 01:24:50,199

What has happened in the trajectory
of its influence, and balance

588

01:24:50,319 --> 01:24:52,800

...on the way medicines been delivered?
Let's start with America

589

01:24:53,039 --> 01:24:56,239

...and then move to how
it's spread around the world.

590

01:24:57,359 --> 01:24:59,039

Well, as ...

591

01:24:59,279 --> 01:25:03,279

I guess the-- Probably the
best way to lead into this, is to

592

01:25:03,520 --> 01:25:04,479

...tell you--

593

01:25:04,800 --> 01:25:06,039

...uh, that--

594

01:25:06,960 --> 01:25:13,560

I was ... on the board of a very
fast-growing, very influential

595

01:25:13,680 --> 01:25:17,479

...uh, integrative or holistic,
if you will, CAM ...

596

01:25:18,520 --> 01:25:19,680

...organisation

597

01:25:19,920 --> 01:25:22,800

...called ACAM. American College
for Advancement in Medicine.

598
01:25:23,039 --> 01:25:24,560
You actually, Doctor Bruce

599
01:25:24,680 --> 01:25:27,239
...are well known in America.
You were a leader in

600
01:25:27,359 --> 01:25:30,520
...integrative medicine, in America,
before you came here to New Zealand

601
01:25:30,640 --> 01:25:32,239
- Yeah, and so
- ...in 2007.

602
01:25:32,359 --> 01:25:33,720
...what we--

603
01:25:33,840 --> 01:25:35,359
What we did
is we brought--

604
01:25:35,479 --> 01:25:37,119
We had twelve
hundred members.

605
01:25:37,359 --> 01:25:39,359
[Dr Dooley] These are registered
physicians of all ages.

606
01:25:39,479 --> 01:25:41,920
Uh, and we had a
million dollars in the bank.

607
01:25:42,039 --> 01:25:43,159
So, this is not--

608
01:25:43,279 --> 01:25:46,039
And we were growing at about
a hundred and fifty to two hundred

609

01:25:46,279 --> 01:25:48,800
...um, members a year.

610
01:25:48,920 --> 01:25:51,039
- ...uh, this is in 1995.

611
01:25:51,159 --> 01:25:52,079
[Liz] And what
was your purpose?

612
01:25:52,199 --> 01:25:55,479
- [Liz] What was your mission?
- My purpose was to

613
01:25:55,600 --> 01:25:57,560
... train or retrain,
if you will

614
01:25:57,680 --> 01:26:00,960
...back into the
more natural ...

615
01:26:01,359 --> 01:26:03,239
...healing techniques.
Non-toxic.

616
01:26:03,560 --> 01:26:05,319
Detoxification [Indistinct]

617
01:26:05,439 --> 01:26:08,920
Dealing with how the gut--
Imbalances in the gut

618
01:26:09,039 --> 01:26:09,880
...influence

619
01:26:10,000 --> 01:26:11,479
...health and the
immune system.

620
01:26:11,600 --> 01:26:14,279
All these things that,
really just--

621
01:26:14,399 --> 01:26:17,439
These associations were never
made in medical school. In fact

622
01:26:17,560 --> 01:26:19,039
...in medical school

623
01:26:19,720 --> 01:26:21,920
...and still today, I understand
in medical schools

624
01:26:22,039 --> 01:26:25,359
...I had one hour of
nutrition in four years.

625
01:26:25,640 --> 01:26:28,239
And that was a really boring,
upside down pyramid

626
01:26:28,359 --> 01:26:30,079
...that we don't
even use today.

627
01:26:30,199 --> 01:26:31,119
I mean, so ...
you know.

628
01:26:31,239 --> 01:26:34,600
Hippocrates said that medicine be thy food,
and food be thy medicine.

629
01:26:34,720 --> 01:26:37,279
Well I can tell you, and probably
most people will understand

630
01:26:37,399 --> 01:26:41,399
...doctors are just not trained in ...
nutrition, and how it affects the body.

631
01:26:41,520 --> 01:26:43,359
And it gets back to that idea
you mentioned before.

632
01:26:43,479 --> 01:26:45,640
You're looking at how you
get the body into homeostasis.

633
01:26:45,760 --> 01:26:47,760
- Exactly.
- In to balance. But

634
01:26:47,880 --> 01:26:49,720
...when I've spoken to you,
prior to this interview

635
01:26:49,840 --> 01:26:53,600
...you are not--
You are not averse to ...

636
01:26:53,720 --> 01:26:55,000
...pharmaceutical
medicine, either.

637
01:26:55,119 --> 01:26:57,560
- You've said to me, it has its place.
- Absolutely.

638
01:26:57,680 --> 01:26:59,119
Tell us about that!

639
01:26:59,680 --> 01:27:00,920
Well-- I mean.

640
01:27:01,319 --> 01:27:03,119
Modern medicine
is a miracle.

641
01:27:03,239 --> 01:27:05,399
I mean, I'm three weeks
post-knee replacement

642
01:27:05,520 --> 01:27:07,039
...and I'm walking around.
And I mean

643
01:27:07,159 --> 01:27:09,720
...there's just so many things ...
that are just so powerful.

644
01:27:09,840 --> 01:27:12,640
And so proud to be a,
doctor in that respect.

645
01:27:12,760 --> 01:27:14,520
And, um, the

646
01:27:14,640 --> 01:27:18,279
...idea that, you know,
a person ... uh.

647
01:27:18,520 --> 01:27:21,079
High blood pressure
may be connected to

648
01:27:21,199 --> 01:27:23,479
...diet, and ... lifestyle.

649
01:27:23,600 --> 01:27:25,520
Uh, you know--

650
01:27:25,640 --> 01:27:26,720
Lifestyle [Indistinct]

651
01:27:27,000 --> 01:27:29,479
The idea that you
could basically, um

652
01:27:29,600 --> 01:27:32,560
...move that person away from
high blood pressure, naturally.

653
01:27:32,680 --> 01:27:34,439
Or with some
herbal things.

654
01:27:34,560 --> 01:27:37,680
Uh, appeals to me, and appeals

to a lot of people.

655

01:27:37,800 --> 01:27:39,239

Rather than just
saying, 'Look

656

01:27:39,359 --> 01:27:41,479

'...you have to be on this drug
the rest of your life.'

657

01:27:41,840 --> 01:27:44,439

'Just take this.'

And, you know, and that's it.

658

01:27:44,680 --> 01:27:46,800

And ... so, this--

659

01:27:46,920 --> 01:27:50,920

The thing is, we're being
told that, 'There's no science.'

660

01:27:51,039 --> 01:27:54,720

Well there's a lot of science.

It's just not being told, to the people.

661

01:27:54,960 --> 01:27:57,000

If you ... go and
you look at

662

01:27:57,119 --> 01:28:00,600

...Coenzyme Q10 and heart
disease, on ... Google Scholar.

663

01:28:00,720 --> 01:28:02,079

You know about
Google Scholar?

664

01:28:02,199 --> 01:28:04,399

- No, tell us about that.
- Google Scholar.

665

01:28:04,520 --> 01:28:05,680

- [Dr Dooley] If you really

wanna know something.

666
01:28:05,800 --> 01:28:07,880
Uh, you wanna get
just a science.

667
01:28:08,000 --> 01:28:09,399
Type in 'scholar.'

668
01:28:09,520 --> 01:28:13,079
...and you'll go to a special Google thing,
where it only lists papers.

669
01:28:13,199 --> 01:28:14,920
Peer-reviewed papers.
That's it!

670
01:28:15,359 --> 01:28:17,079
And it's wonderful,
because then you get--

671
01:28:17,199 --> 01:28:19,119
You filter out all
of the baloney

672
01:28:19,239 --> 01:28:22,760
...if you will, and you get right
straight down to the science.

673
01:28:22,880 --> 01:28:25,279
And so, for instance,
vitamin D.

674
01:28:25,399 --> 01:28:27,079
There'll be probably
twenty thousand papers

675
01:28:27,199 --> 01:28:28,279
...on vitamin D

676
01:28:28,399 --> 01:28:31,000
...uh, and it's
power of vitamin D.

677
01:28:31,359 --> 01:28:33,319
You know and, uh, so--

678
01:28:33,960 --> 01:28:36,960
The point is, is that,
this is not patentable.

679
01:28:37,079 --> 01:28:39,359
This is not a lot
of money to be made.

680
01:28:39,760 --> 01:28:42,920
And, most all of
these studies, by the way

681
01:28:43,039 --> 01:28:46,600
...uh, are not funded, at all by
pharmaceutical companies

682
01:28:46,720 --> 01:28:48,840
...which is where most of
the major funding comes.

683
01:28:48,960 --> 01:28:52,399
One of the reasons that I'm here,
and I'm stepping out, now

684
01:28:52,520 --> 01:28:53,880
...is because

685
01:28:54,000 --> 01:28:55,199
...we're very--

686
01:28:55,319 --> 01:28:57,279
We're getting to
a point where

687
01:28:57,399 --> 01:28:59,800
...doctors are not
allowed to talk.

688

01:28:59,920 --> 01:29:01,359

Unless they
talk about

689

01:29:01,479 --> 01:29:03,279

...the mainstream
narrative.

690

01:29:03,439 --> 01:29:05,600

And this is
called, um

691

01:29:05,840 --> 01:29:08,199

...misinformation,
and disinformation.

692

01:29:08,319 --> 01:29:11,319

And this is really
concerning me, because now

693

01:29:11,439 --> 01:29:14,399

...it's coming apparently
to New Zealand.

694

01:29:14,800 --> 01:29:16,479

And we have
to stop it.

695

01:29:16,640 --> 01:29:21,760

So to do this, I asked you about the
trajectory of influence of this 1913 group.

696

01:29:21,880 --> 01:29:25,159

It's been-- It's been
growing steadily.

697

01:29:25,279 --> 01:29:29,000

Relentlessly. But, behind
closed doors, as it were. Behind its veil.

698

01:29:29,119 --> 01:29:33,840

I'll go back to this association in
1995 that I was on the board of.

699
01:29:33,960 --> 01:29:35,720
And we were
growing so fast.

700
01:29:35,840 --> 01:29:37,600
And, um.

701
01:29:37,720 --> 01:29:41,720
Unbeknownst to me,
the federation had ...

702
01:29:41,960 --> 01:29:45,680
...the President of the--
or Chair of the ...

703
01:29:45,800 --> 01:29:48,119
...Federal Trade
Commission. The FTC

704
01:29:48,439 --> 01:29:52,000
...at their annual meeting,
where it's on record, him saying

705
01:29:52,119 --> 01:29:55,439
'Thank you very much for
telling us about this association

706
01:29:55,560 --> 01:29:58,560
...organisation ACAM. We'll take
care of them' more or less.

707
01:29:58,680 --> 01:30:02,079
And the next year, they came in,
and because of ...

708
01:30:02,199 --> 01:30:04,920
...a couple ... sentences,
in one of our brochures.

709
01:30:05,039 --> 01:30:07,920
They basically,
closed us down.

710
01:30:08,439 --> 01:30:09,079
- They stopped.
- And you--

711
01:30:09,199 --> 01:30:14,199
They stopped ... what was a
very dynamic growth in this field.

712
01:30:14,439 --> 01:30:16,399
Uh, and I didn't even
know it at the time.

713
01:30:16,520 --> 01:30:19,520
I only found this out,
probably fifteen years later

714
01:30:19,640 --> 01:30:21,279
...how they had
orchestrated that.

715
01:30:21,399 --> 01:30:25,960
They were ... that far out of
the picture of all of us.

716
01:30:27,119 --> 01:30:27,680
Hmm.

717
01:30:27,920 --> 01:30:32,600
So, we will come back then, to what is happening
on misinformation, and disinformation.

718
01:30:32,720 --> 01:30:35,199
Here, I think we need to go
into your own story

719
01:30:35,319 --> 01:30:37,600
...about how you had
to be answerable

720
01:30:38,159 --> 01:30:41,880
...for your courage in looking at
other options, as a doctor.

721
01:30:42,000 --> 01:30:45,000
And how you came to hear
about the Federation, yourself.

722
01:30:45,119 --> 01:30:45,960
Tell us that story.

723
01:30:46,279 --> 01:30:48,600
Oh, okay.
So, um ...

724
01:30:49,439 --> 01:30:51,880
In the mid '90s

725
01:30:52,119 --> 01:30:55,239
...all of my colleagues
in this type of field

726
01:30:55,359 --> 01:30:56,960
...were being attacked
by their medical boards.

727
01:30:57,079 --> 01:31:00,199
And they were all being attacked,
kind of in the same way. It was--

728
01:31:00,319 --> 01:31:01,800
It was almost became
a badge of courage

729
01:31:01,920 --> 01:31:05,239
...that you had a run in
with your medical board.

730
01:31:05,479 --> 01:31:07,319
Uh, I had, um

731
01:31:07,439 --> 01:31:11,960
...was doing this therapy, which the
cardiologist, and a lot of people

732
01:31:12,079 --> 01:31:15,520

...uh, who benefited
from drugs, et cetera

733
01:31:15,640 --> 01:31:17,960
...did not like, and it's called
EDTA Chelation Therapy

734
01:31:18,079 --> 01:31:20,159
...which was an
intravenous therapy.

735
01:31:20,279 --> 01:31:22,359
And, I had an
advertisement

736
01:31:22,479 --> 01:31:23,840
...uh, that had
my picture

737
01:31:23,960 --> 01:31:26,760
...and it talked a little bit
about what, you know, it did.

738
01:31:26,880 --> 01:31:29,119
And helping with
circulation, et cetera.

739
01:31:29,239 --> 01:31:31,920
And, there was one word
in there called

740
01:31:32,039 --> 01:31:34,640
...that I put certified
in Chelation therapy.

741
01:31:34,760 --> 01:31:36,680
And it turned out
that the, um--

742
01:31:36,800 --> 01:31:38,840
The Florida
Medical Council

743

01:31:38,960 --> 01:31:41,520
...uh, president lived
in town. He saw that.

744
01:31:41,640 --> 01:31:43,479
He knew that I
couldn't use that word.

745
01:31:43,600 --> 01:31:46,079
They pulled me up
to the Medical Council

746
01:31:46,199 --> 01:31:47,960
...and said, 'You're not
supposed to use that

747
01:31:48,079 --> 01:31:51,520
'...cos you're insinuating that
you're board certified in Chelation.'

748
01:31:52,039 --> 01:31:54,520
Which they didn't recognise,
and I was, actually. And--

749
01:31:54,640 --> 01:31:56,079
Could we deal
with that?

750
01:31:56,199 --> 01:31:58,119
You did have a certain
level of certification

751
01:31:58,239 --> 01:31:58,800
- ...didn't you?
- Well, actually.

752
01:31:58,920 --> 01:32:02,720
I was actually president of the Florida
Alternative Medical Association.

753
01:32:02,840 --> 01:32:04,640
We had a hundred
and thirty physicians.

754
01:32:04,760 --> 01:32:08,760
And we had--
Our ... point was--

755
01:32:08,880 --> 01:32:10,840
We wanted to make sure
there was never any harm

756
01:32:11,159 --> 01:32:13,399
...from this therapy, that--
We're all doing it.

757
01:32:13,760 --> 01:32:15,520
Anyway, long
story short. He--

758
01:32:15,760 --> 01:32:18,359
I said 'Mea culpa.
Mea maxima culpa,' you know.

759
01:32:18,479 --> 01:32:21,520
I didn't know, that I couldn't use this word.
I won't use it again.

760
01:32:21,640 --> 01:32:23,279
And, that was that.

761
01:32:23,399 --> 01:32:24,960
And, um.

762
01:32:25,720 --> 01:32:28,119
Then a ... local

763
01:32:28,239 --> 01:32:31,479
...cardiologist, who was a
big supporter of Jeb Bush

764
01:32:31,600 --> 01:32:36,079
...the Governor-- got appointed to
the Medical Board, and he, um.

765
01:32:36,199 --> 01:32:37,640

He apparently didn't
like me very much

766
01:32:37,760 --> 01:32:40,000
...cos I was taking patients
away from him. They did--

767
01:32:40,119 --> 01:32:42,239
And, he actually
tried to get the Board

768
01:32:42,359 --> 01:32:44,680
...to make Chelation
therapy illegal

769
01:32:44,800 --> 01:32:45,600
- ...in
- I need to

770
01:32:45,720 --> 01:32:48,000
- ...Florida.
- ...clarify there. Chelation therapy is about

771
01:32:48,119 --> 01:32:49,920
...reducing the toxic
load in the body.

772
01:32:50,039 --> 01:32:51,279
You were taking
patients away

773
01:32:51,399 --> 01:32:52,560
...in what sense?

774
01:32:52,680 --> 01:32:53,640
- The people were
- Well, they didn't--

775
01:32:53,760 --> 01:32:54,199
- ...healthier?
- They didn't--

776
01:32:54,319 --> 01:32:56,079

They didn't need to have bypasses after Chelation.

777
01:32:56,199 --> 01:32:57,920
- There we are.
- They got off their

778
01:32:58,039 --> 01:32:59,479
...blood pressure
medicine, because their

779
01:32:59,600 --> 01:33:01,960
[Dr Dooley] ...arteries
got younger, and more--

780
01:33:02,079 --> 01:33:03,720
And all of these
things, and--

781
01:33:03,960 --> 01:33:05,840
And, uh, you know, I thought
I was doing a good job.

782
01:33:05,960 --> 01:33:06,760
I was doing what
I'm supposed to

783
01:33:06,880 --> 01:33:08,479
...do, right?
And ...

784
01:33:08,600 --> 01:33:11,520
Since 1950s, when they
discovered this therapy

785
01:33:11,640 --> 01:33:13,319
...there's never been a death
or a serious side effect.

786
01:33:13,439 --> 01:33:15,000
And we're talking about
millions of people.

787

01:33:15,119 --> 01:33:16,520
So, imagine the--

788
01:33:16,640 --> 01:33:18,840
Imagine that I can--
And I actually gave

789
01:33:18,960 --> 01:33:20,199
...you know, kind of
a guarantee. I said

790
01:33:20,319 --> 01:33:22,000
'If this doesn't help you,
you get your money back.'

791
01:33:22,119 --> 01:33:23,600
- And ...
- Great!

792
01:33:23,720 --> 01:33:25,640
The funny thing
was, the--

793
01:33:25,760 --> 01:33:27,039
The Medical Council

794
01:33:27,159 --> 01:33:28,840
...called me a year later,
said, 'You can't

795
01:33:28,960 --> 01:33:30,720
'...give a guarantee like--
The money back guarantee.'

796
01:33:30,840 --> 01:33:32,479
So I had to
stop doing that.

797
01:33:32,880 --> 01:33:34,680
Uh, well I get
called back up

798
01:33:34,800 --> 01:33:36,720

...to the Medical Council,
two months later

799
01:33:36,840 --> 01:33:37,800
...in Tallahassee.

800
01:33:37,920 --> 01:33:39,439
They brought up
the same charge.

801
01:33:39,560 --> 01:33:42,159
Uh, you know, this word,
which they'd already, I thought--

802
01:33:42,279 --> 01:33:43,479
Double jeopardy.

803
01:33:43,600 --> 01:33:45,800
And this time they hit me
with a disciplinary mark.

804
01:33:45,920 --> 01:33:48,199
And I didn't know what that,
disciplinary mark meant

805
01:33:48,319 --> 01:33:49,399
...really at the time.

806
01:33:49,640 --> 01:33:53,039
But as I was leaving the room,
I heard one of the

807
01:33:53,279 --> 01:33:55,720
...board members say to the other,
one of the doctors, say

808
01:33:55,840 --> 01:33:58,840
'Are you gonna be at the Federation
meeting in Dallas next week?'

809
01:33:59,560 --> 01:34:00,479
And I went

810
01:34:00,600 --> 01:34:02,359
...I heard that word
before on the board

811
01:34:02,479 --> 01:34:05,319
...in the board of ACAM,
that's-- this federation

812
01:34:05,439 --> 01:34:06,720
...uh, thing so--

813
01:34:06,840 --> 01:34:08,960
I ended up going to the
annual meeting, and

814
01:34:09,079 --> 01:34:10,199
...uh, kind of, uh--

815
01:34:10,319 --> 01:34:13,079
I signed in, and I ...
went there as a member.

816
01:34:13,199 --> 01:34:14,319
- Yeah, and that's where I found out.
- Tell us--

817
01:34:14,439 --> 01:34:16,760
Tell us about it.
What was it like?

818
01:34:18,479 --> 01:34:19,239
It was shocking.

819
01:34:19,359 --> 01:34:20,560
It was, um--

820
01:34:20,680 --> 01:34:24,399
To me, what I
witnessed was, uh

821
01:34:24,640 --> 01:34:28,319
...beyond anything I thought

that could ever be, which was

822

01:34:28,560 --> 01:34:30,800
...a private
organisation

823

01:34:30,920 --> 01:34:32,560
...with seemingly, uh--

824

01:34:32,680 --> 01:34:35,000
Nobody knows who
funds them, by the way.

825

01:34:35,279 --> 01:34:39,199
Calling together these members
of the medical associations.

826

01:34:39,319 --> 01:34:41,159
Medical boards.
Councils

827

01:34:41,600 --> 01:34:44,439
...into this,
wine and dine--

828

01:34:44,560 --> 01:34:47,159
You know, I'd been to a lot of
conventions and meetings, and

829

01:34:47,279 --> 01:34:52,119
...I had never seen anything quite with
the lavishness, that was portrayed here.

830

01:34:52,279 --> 01:34:54,560
At this meeting,
that I went to, uh--

831

01:34:54,680 --> 01:34:56,319
All I could
hear was

832

01:34:56,439 --> 01:35:00,039
...talk about, how to--

How can you? Board member

833

01:35:00,159 --> 01:35:02,159
uh, get your quack?

834

01:35:02,279 --> 01:35:05,279
And ... they were outright
saying quack. It was on tape.

835

01:35:05,399 --> 01:35:07,880
Uh, how do you get your doctor,
who's a quack? Or

836

01:35:08,000 --> 01:35:10,199
...now, as we'll see later,
fringe doctor.

837

01:35:10,319 --> 01:35:12,039
This is what they're
calling doctors here, now.

838

01:35:12,159 --> 01:35:15,079
Fringe docs-- Just kind of ...
kind of the same thing.

839

01:35:15,199 --> 01:35:18,119
Uh, it's just in a different--
There's a different tune, now.

840

01:35:18,239 --> 01:35:20,640
[Dr Dooley] How they
were telling, on paper

841

01:35:21,000 --> 01:35:25,560
...uh, people, a doc-- The medical boards,
how to get the doctor.

842

01:35:26,039 --> 01:35:27,439
- And, so--
- [Liz] When you say, how to get them.

843

01:35:27,560 --> 01:35:28,399
How to report them?

844

01:35:28,520 --> 01:35:30,920

- [Dr Dooley] How to get their license,
and suspend their license

845

01:35:31,039 --> 01:35:32,800

...and take them
out, basically.

846

01:35:32,920 --> 01:35:35,199

So, here's how they do it,
and here's how they did it.

847

01:35:35,319 --> 01:35:37,039

This April of this year.

848

01:35:37,279 --> 01:35:41,239

One member of each medical council,
is designated the delegate.

849

01:35:41,359 --> 01:35:45,079

And after a fine, big, nice,
end of the conference lunch

850

01:35:45,199 --> 01:35:46,720

...where everybody's
kind of puffy

851

01:35:46,840 --> 01:35:48,960

...and they give
all these awards out

852

01:35:49,079 --> 01:35:51,039

...uh, to people
uh, and--

853

01:35:51,159 --> 01:35:55,000

In-- Usually in the context of
what they're gonna be voting on.

854

01:35:55,119 --> 01:35:57,399

In this particular one,
it was all about--

855

01:35:57,520 --> 01:36:00,479
You know. Keeping medicines safe
in your in your state

856

01:36:00,600 --> 01:36:02,680
...doctor, from these
questionable doctors.

857

01:36:02,800 --> 01:36:04,199
Who are, you know
doing this.

858

01:36:04,319 --> 01:36:05,640
And, if

859

01:36:05,760 --> 01:36:08,239
...your state legislature
has any of these--

860

01:36:08,359 --> 01:36:10,439
There's a tendency now,
for this freedom of medical--

861

01:36:10,560 --> 01:36:12,680
medical freedom movement,
that's going on

862

01:36:12,800 --> 01:36:14,319
...because we
were pushing it.

863

01:36:14,800 --> 01:36:16,680
- Uh, we'll go--
- Patients are pushing for it.

864

01:36:16,800 --> 01:36:17,920
Patients are
pushing for it.

865

01:36:18,319 --> 01:36:21,479
Uh, doctors were saying,
we wanna be free

866

01:36:21,600 --> 01:36:24,319

... to practice what we want, without
being attacked by our medical boards.

867

01:36:24,439 --> 01:36:26,680

Well, doesn't that
sound familiar, now?

868

01:36:26,800 --> 01:36:29,640

And if federation was
literally-- It's on paper.

869

01:36:29,760 --> 01:36:32,880

Saying, basically,
we'll help you

870

01:36:33,159 --> 01:36:38,000

...convince the legislature not to
go this way, because, medical counsel

871

01:36:38,119 --> 01:36:41,399

...you need to have full control, and
you don't want to give away that control.

872

01:36:41,880 --> 01:36:42,479

- So, this is ...
- It's

873

01:36:42,600 --> 01:36:43,479

- ...they're--
- Extraordinary!

874

01:36:43,600 --> 01:36:48,159

We'll help you to stop
freedom of speech, in effect.

875

01:36:48,279 --> 01:36:48,800

So at that

876

01:36:48,920 --> 01:36:51,760

...meeting, I went to ...
the delegate meeting.

877
01:36:51,880 --> 01:36:54,479
Um, I saw how
they make law

878
01:36:54,600 --> 01:36:56,359
... from this
private organisation.

879
01:36:56,479 --> 01:36:58,920
And, it's this way--
It goes this way.

880
01:36:59,039 --> 01:37:00,880
There's this big,
great room, with

881
01:37:01,000 --> 01:37:02,000
...velvet ropes.

882
01:37:02,319 --> 01:37:04,479
And, all of these, uh

883
01:37:04,600 --> 01:37:06,319
...voting booths
are set up

884
01:37:06,439 --> 01:37:07,680
...for each of
the delegate.

885
01:37:07,800 --> 01:37:10,000
With a little electronic
voting button.

886
01:37:10,119 --> 01:37:11,880
And, they
talk about

887
01:37:12,000 --> 01:37:13,840
...um, policy

888

01:37:13,960 --> 01:37:16,920
...that has been written up by
the Federation, in the year

889
01:37:17,039 --> 01:37:18,560
...since the
last meeting.

890
01:37:18,880 --> 01:37:20,479
So, this is not policy

891
01:37:20,600 --> 01:37:23,880
...that these board members
have ever really seen before.

892
01:37:24,119 --> 01:37:27,119
But it's policy that,
they're gonna vote on.

893
01:37:28,199 --> 01:37:28,880
And, so

894
01:37:29,000 --> 01:37:31,239
...they put the-- They put this
policy up on the screen.

895
01:37:31,359 --> 01:37:32,520
And I'm sitting there
in the crowd, going.

896
01:37:32,640 --> 01:37:34,640
Now this is a
private organisation.

897
01:37:34,760 --> 01:37:37,399
These are government ... bodies.

898
01:37:37,520 --> 01:37:40,239
You can't make law ... this way.

899
01:37:40,359 --> 01:37:42,159
And you're a lawyer.
You know that, right?

900
01:37:42,279 --> 01:37:44,159
- Absolutely.
- But it's brilliant how they do it.

901
01:37:44,399 --> 01:37:46,079
So, of course--

902
01:37:47,039 --> 01:37:47,880
I guess.

903
01:37:48,199 --> 01:37:49,319
Whatever they just--

904
01:37:49,439 --> 01:37:51,479
You know, whatever
comes up on the screen

905
01:37:51,600 --> 01:37:52,479
...is--

906
01:37:52,680 --> 01:37:54,920
Okay with them. That's the Federation.
That looks good.

907
01:37:55,039 --> 01:37:57,840
Boom! You know, and it's here to,
you know, to make--

908
01:37:57,960 --> 01:38:00,159
And it all sounds
very, very good!

909
01:38:00,279 --> 01:38:02,640
And ... then they

910
01:38:02,760 --> 01:38:03,960
...take that--

911
01:38:04,199 --> 01:38:06,520
The Federation then
takes that, and ...

912
01:38:06,640 --> 01:38:10,520
...puts the State Medical Board--
And each one

913
01:38:10,640 --> 01:38:12,439
...is given to the states,
with their name on it.

914
01:38:12,560 --> 01:38:14,279
And then they
turn it into law.

915
01:38:14,399 --> 01:38:15,000
You see.

916
01:38:15,119 --> 01:38:17,199
And that's why we
were being attacked

917
01:38:17,319 --> 01:38:21,000
...uniformly across the country,
state by state. All ... they were all

918
01:38:21,119 --> 01:38:23,399
...using the same kind of policy.
Well it was being

919
01:38:23,520 --> 01:38:25,319
...created in this
delegate vote

920
01:38:25,560 --> 01:38:27,079
...uh, at the
Federation.

921
01:38:27,640 --> 01:38:30,119
It's an incredible
model of control.

922
01:38:30,239 --> 01:38:32,359
Of control from a
small group ... out to a

923
01:38:32,479 --> 01:38:34,720
...very large group, and
then it's around the world.

924
01:38:34,840 --> 01:38:35,960
- So--
- So, were you saying

925
01:38:36,079 --> 01:38:37,279
...when you were
setting the scene

926
01:38:37,399 --> 01:38:39,600
...that you first had this
wonderful wining, dining.

927
01:38:39,720 --> 01:38:41,159
This wonderful
dinner?

928
01:38:41,479 --> 01:38:42,359
- Amazing, right?
- So there's--

929
01:38:42,479 --> 01:38:44,680
There's a real carrot
and stick feeling

930
01:38:44,800 --> 01:38:46,680
- ...that I'm getting here.
- Oh, yeah. They had a ...

931
01:38:46,800 --> 01:38:48,479
...library set
up there

932
01:38:48,600 --> 01:38:50,920
...that you could take any
books you want. No charge.

933
01:38:51,039 --> 01:38:53,960
Uh ... they had uh,

all these mugs, and

934

01:38:54,079 --> 01:38:57,600

...things like that, you know.

And people, you know, taking bags, and--

935

01:38:57,720 --> 01:38:58,520

So--

936

01:38:58,640 --> 01:39:00,439

Yeah, it was ...

937

01:39:00,760 --> 01:39:02,479

...it was it was

quite obvious to me

938

01:39:02,600 --> 01:39:04,239

...um, because

I was there for

939

01:39:04,359 --> 01:39:06,520

...specific ...

purpose to

940

01:39:06,640 --> 01:39:08,479

...find out who

these guys were.

941

01:39:08,600 --> 01:39:10,800

And what they were doing,

and how they were doing.

942

01:39:11,359 --> 01:39:13,159

I then, um

943

01:39:13,560 --> 01:39:17,159

...testified in Washington, D.C.,

at the, uh--

944

01:39:17,279 --> 01:39:19,720

President Clinton

put ... designated.

945
01:39:19,840 --> 01:39:21,479
What they called the
President's Commission--

946
01:39:21,600 --> 01:39:22,720
White House Commission

947
01:39:22,840 --> 01:39:25,520
...on Complementary Alternative Medicine.
It was a two year

948
01:39:25,640 --> 01:39:27,720
...Commission of nineteen
members, that were

949
01:39:27,840 --> 01:39:29,680
...investigating
all the, you know--

950
01:39:29,800 --> 01:39:31,520
Everything about Complementary
Alternative Medicine.

951
01:39:31,640 --> 01:39:34,159
And it actually turned out
to be an amazingly

952
01:39:34,279 --> 01:39:36,359
...great outcome,
if you read it, about

953
01:39:36,479 --> 01:39:39,359
...how the world could change with
Complementary Alternative Medicine.

954
01:39:39,600 --> 01:39:41,319
But, it went
nowhere actually.

955
01:39:41,439 --> 01:39:44,520
Sadly. But anyway.
I was brought in to testify

956
01:39:44,640 --> 01:39:47,199
...um, what I knew
about the Federation.

957
01:39:47,319 --> 01:39:48,560
And that,
I became

958
01:39:48,640 --> 01:39:52,000
...I guess, a target at that point in time.
Because, what I told them, was

959
01:39:53,399 --> 01:39:57,159
...we should not be allowing,
a private corporation

960
01:39:57,760 --> 01:39:59,880
...to be influencing

961
01:40:00,000 --> 01:40:01,760
...medical councils
like this.

962
01:40:02,600 --> 01:40:05,199
Medical councils need
to be independent

963
01:40:05,319 --> 01:40:07,199
...and they
need to be--

964
01:40:07,319 --> 01:40:12,079
They need to, not be guided, uh,
in this-- In directions that

965
01:40:12,319 --> 01:40:15,119
...to my mind,
were, um

966
01:40:17,239 --> 01:40:20,439
...because of, you know,
certain monied interest.

967
01:40:20,840 --> 01:40:22,960
Uh, that would benefit

968
01:40:23,239 --> 01:40:25,600
...from, you know,
this process.

969
01:40:26,159 --> 01:40:29,880
I'm trying to here, play
devil's advocate, and say

970
01:40:30,199 --> 01:40:32,560
...What is the plus of this?
Are they--

971
01:40:32,680 --> 01:40:37,680
Could one argue that they are authentically,
genuinely wanting to keep the standards of

972
01:40:37,800 --> 01:40:41,039
...medicine high? And in the papers
that I've read from this

973
01:40:41,159 --> 01:40:43,199
...FSMB. That's how
they word it.

974
01:40:43,319 --> 01:40:45,600
They say we want to keep
really good standards.

975
01:40:45,720 --> 01:40:48,960
I mean, I'm going to go here to one
of their documents from the '90s.

976
01:40:49,279 --> 01:40:51,359
For the purposes of
this report, they write

977
01:40:51,479 --> 01:40:55,960
' ...the terms alternative medicine, therapy,
and or complementary medicine

978
01:40:56,079 --> 01:40:58,960
'...have not been
utilised by the committee

979
01:40:59,079 --> 01:41:03,680
'...due to a lack of consensus among both
practitioners and the public, as to their meaning.'

980
01:41:04,159 --> 01:41:07,920
This bit really worried me.
'The committee has chosen to use the term

981
01:41:08,039 --> 01:41:10,960
'...questionable health
care practices

982
01:41:11,079 --> 01:41:13,399
'...to include those
treatments, procedures

983
01:41:13,520 --> 01:41:15,439
'...conventional
or unconventional

984
01:41:15,560 --> 01:41:17,319
'...which may be unsafe.'

985
01:41:17,560 --> 01:41:19,920
So, even in the
title they give

986
01:41:20,039 --> 01:41:23,600
...complementary medicine.
It's an absolutely loaded title.

987
01:41:23,720 --> 01:41:25,199
They bias it from
the very beginning.

988
01:41:25,319 --> 01:41:26,479
- They're biased from the beginning
- [Indistinct]

989
01:41:26,600 --> 01:41:29,039
...which is what I see, as someone
who worked in mainstream media.

990
01:41:29,159 --> 01:41:31,680
I see mainstream media now,
as biased from the

991
01:41:31,920 --> 01:41:33,000
...very beginning. If you

992
01:41:33,119 --> 01:41:35,720
...have any alternative to
the government standpoint

993
01:41:35,960 --> 01:41:39,680
...you are a far right, or a conspiracy
theorist. They have a label for you.

994
01:41:39,800 --> 01:41:41,239
So, is that
happening

995
01:41:41,359 --> 01:41:42,800
...in our medical world?

996
01:41:43,439 --> 01:41:44,680
Oh, it's--

997
01:41:45,079 --> 01:41:48,159
I mean, there's very few of us left,
I think, that, you know, it's

998
01:41:48,319 --> 01:41:52,039
...unbelievable that had the control,
that has been coming down

999
01:41:52,279 --> 01:41:54,800
...recently,
on doctors.

1000
01:41:54,920 --> 01:41:58,840

You would never, uh, if you imagine
fifty years ago, me telling my dad

1001
01:41:58,960 --> 01:42:02,439
...that, you know if I,
uh, wrote something

1002
01:42:02,560 --> 01:42:04,920
...that, which,
you know ... I did.

1003
01:42:05,039 --> 01:42:06,560
And I ... in an interview--

1004
01:42:06,680 --> 01:42:10,680
I basically was telling my patients,
and other patients that

1005
01:42:10,800 --> 01:42:14,960
...you know. Let's relax a little bit about this,
you know, this Omicron thing coming.

1006
01:42:15,079 --> 01:42:17,079
Let's ... cool down the fear.

1007
01:42:17,199 --> 01:42:21,079
And, let's just try to take a look
at the idea that, you know.

1008
01:42:21,359 --> 01:42:24,920
If you do get it, uh,
you'll get natural immunity.

1009
01:42:25,119 --> 01:42:26,319
Well, you know,
I mean--

1010
01:42:26,439 --> 01:42:28,800
Being that I'm, you know,
trained in immunology

1011
01:42:28,920 --> 01:42:30,760
...it's been

shocking to me

1012
01:42:30,880 --> 01:42:33,119
...that nobody's talking
about natural immunity.

1013
01:42:33,239 --> 01:42:36,640
About your body's ...
own ability to build a lasting

1014
01:42:36,760 --> 01:42:38,720
...protection
against a virus.

1015
01:42:39,000 --> 01:42:40,119
And ...

1016
01:42:40,560 --> 01:42:43,399
...so, where, what, who's
behind that? What--

1017
01:42:43,520 --> 01:42:46,319
Where is that coming from?
Because, you know I--

1018
01:42:46,439 --> 01:42:49,479
It's ... shocking
to me, to see that

1019
01:42:49,840 --> 01:42:51,239
...that the newest

1020
01:42:51,359 --> 01:42:53,680
...meeting of the
delegate votes in April

1021
01:42:54,279 --> 01:42:57,000
...uh, in New Orleans.

1022
01:42:57,119 --> 01:43:01,239
They ... again, did
another policy statement

1023
01:43:01,359 --> 01:43:03,439
...over, since, the

1024
01:43:03,560 --> 01:43:06,159
...um, time in 2021.

1025
01:43:06,479 --> 01:43:11,359
In 2021, the Federation did a very
interesting thing. They came out.

1026
01:43:12,319 --> 01:43:13,319
Publicly

1027
01:43:13,439 --> 01:43:16,279
...with a statement, which
we can put up on the screen

1028
01:43:16,399 --> 01:43:18,000
...that basically said--

1029
01:43:18,119 --> 01:43:21,560
It was a battle cry, in my estimation,
to the medical boards.

1030
01:43:21,680 --> 01:43:23,279
They basically said

1031
01:43:23,680 --> 01:43:28,359
...that there's misinformation,
and disinformation being spread around.

1032
01:43:28,600 --> 01:43:31,239
And, particularly doctors
who have a

1033
01:43:31,399 --> 01:43:35,439
...you know, inordinate amount of
influence, and trust with the public

1034
01:43:35,560 --> 01:43:38,960
...are spreading this
misinformation, and disinformation.

1035
01:43:39,479 --> 01:43:42,359
And, we think that
this may be

1036
01:43:42,479 --> 01:43:46,079
...a disciplinary action,
by the Medical Council.

1037
01:43:46,199 --> 01:43:48,159
That's what they--
The medical boards.

1038
01:43:48,279 --> 01:43:50,319
That was done
throughout the world.

1039
01:43:50,600 --> 01:43:52,800
And I believe it was May.

1040
01:43:52,920 --> 01:43:55,439
April or May
of last year, so--

1041
01:43:56,119 --> 01:43:56,720
Then, follow that

1042
01:43:56,840 --> 01:43:58,399
...up with April.
What was the--

1043
01:43:58,520 --> 01:43:59,680
- What happened in April?
- No. No, actually--

1044
01:43:59,800 --> 01:44:01,239
Let me go a little bit.

1045
01:44:01,359 --> 01:44:03,840
I'll show you how,
it's structured. So--

1046

01:44:03,960 --> 01:44:07,680

They put out this notice,
okay? This alarm.

1047

01:44:07,800 --> 01:44:09,680

And again, HARM.

1048

01:44:09,800 --> 01:44:13,159

Everything ... has to have

HARM in it. H-A-R-M.

1049

01:44:13,279 --> 01:44:16,159

Otherwise-- Cos that's the mandate
of the medical boards. Remember.

1050

01:44:16,279 --> 01:44:18,279

They hear HARM.

1051

01:44:18,399 --> 01:44:21,079

Here we come to the rescue.

We're not gonna allow harm.

1052

01:44:22,439 --> 01:44:23,359

So

1053

01:44:23,760 --> 01:44:27,479

...about two or three months after
they put out that message. Okay?

1054

01:44:27,600 --> 01:44:32,239

They did a survey of the
medical boards. Councils.

1055

01:44:32,640 --> 01:44:37,560

Only twenty-six out of the seventy
that they have, uh, responded

1056

01:44:37,680 --> 01:44:42,239

...but nevertheless, they were able
to ascertain that there had been

1057

01:44:42,359 --> 01:44:45,960

...a fifty-six percent increase

in complaints about

1058

01:44:46,079 --> 01:44:49,359
...physician misinformation, and
disinformation. Fifty-six percent.

1059

01:44:49,479 --> 01:44:50,680
And therefore

1060

01:44:50,800 --> 01:44:53,359
...we're going to--
We're gonna move on

1061

01:44:53,479 --> 01:44:56,319
...formulating policy,
that we'll be voting on in April.

1062

01:44:57,800 --> 01:44:59,039
Create a problem.

1063

01:44:59,319 --> 01:45:00,279
Solution.

1064

01:45:00,800 --> 01:45:01,960
That's how they did it.

1065

01:45:02,079 --> 01:45:04,319
And in April,
of this year

1066

01:45:05,479 --> 01:45:08,560
...the Federation of State Medical Boards
delegate meeting, in New Orleans

1067

01:45:09,439 --> 01:45:11,000
...voted a twelve page

1068

01:45:11,199 --> 01:45:14,359
...misinformation,
disinformation policy

1069

01:45:14,760 --> 01:45:16,600

...which effectively says

1070
01:45:17,239 --> 01:45:18,279
You can gag.

1071
01:45:18,399 --> 01:45:19,720
You can take away

1072
01:45:19,960 --> 01:45:22,159
...your physician ... who

1073
01:45:22,319 --> 01:45:23,760
...who, uh, do
the license of

1074
01:45:23,880 --> 01:45:24,600
...your physician

1075
01:45:24,720 --> 01:45:28,520
...if that physician is giving
disinformation, or misinformation

1076
01:45:28,720 --> 01:45:30,520
Well now ... that's.

1077
01:45:30,640 --> 01:45:32,920
That's a wide open thing,
isn't it? That's just a--

1078
01:45:33,039 --> 01:45:35,319
That's the final
bludgeon, to gag--

1079
01:45:35,520 --> 01:45:36,800
Gag physicians.

1080
01:45:37,039 --> 01:45:39,600
So, it's no wonder--
And, now

1081
01:45:39,720 --> 01:45:41,119
...because, um

1082
01:45:41,239 --> 01:45:42,960
...this medical council

1083
01:45:43,079 --> 01:45:44,640
...uh, in New Zealand--

1084
01:45:45,279 --> 01:45:47,920
Uh, by the way,
Joan Simeon

1085
01:45:48,159 --> 01:45:49,880
...is the CEO

1086
01:45:50,000 --> 01:45:50,920
[Liz] Of the Medical Council

1087
01:45:51,039 --> 01:45:52,079
- [Liz] ...of New Zealand.
- [Dr Dooley] ...of the Medical Council.

1088
01:45:52,199 --> 01:45:54,000
[Liz] And she's
about to step into

1089
01:45:54,119 --> 01:45:56,840
...a job with the international
arm, is she not?

1090
01:45:56,960 --> 01:45:58,199
[Dr Dooley] She has been--

1091
01:45:58,319 --> 01:45:59,640
- [Liz] Of the-- [Indistinct]
- [Dr Dooley] She will become the

1092
01:45:59,760 --> 01:46:00,960
...the chairwoman

1093
01:46:01,079 --> 01:46:02,680
...of the international arm

1094
01:46:03,279 --> 01:46:04,720
...of the Federation.

1095
01:46:05,199 --> 01:46:07,079
Next year. I believe
it's next year.

1096
01:46:07,199 --> 01:46:08,159
So--

1097
01:46:08,399 --> 01:46:10,319
- [Dr Dooley] So--
- [Liz] I just want to stop there, Doctor Bruce

1098
01:46:10,439 --> 01:46:12,680
...for people to take that in.
A New Zealand

1099
01:46:12,800 --> 01:46:14,600
...woman is going to

1100
01:46:14,720 --> 01:46:17,920
...head this is very opaque

1101
01:46:18,880 --> 01:46:22,359
- [Liz] ...body's international arm, and
we've had no articles about that.

1102
01:46:22,479 --> 01:46:24,159
And, she is the

1103
01:46:24,279 --> 01:46:25,880
...seminal influencer

1104
01:46:26,000 --> 01:46:28,239
...of our New Zealand
Medical Council.

1105
01:46:28,359 --> 01:46:31,039
She is the one, who
ruled that someone

1106
01:46:31,159 --> 01:46:35,439
...like Doctor Matt Shelton, who simply
said to his patients, in a newsletter.

1107
01:46:35,560 --> 01:46:38,399
I'm not sure that this has
been properly researched

1108
01:46:38,520 --> 01:46:41,560
...for pregnant women.
And I am going to advise my

1109
01:46:41,800 --> 01:46:45,039
...my pregnant patients, or my
patients who are thinking of

1110
01:46:45,159 --> 01:46:46,640
...of having babies

1111
01:46:46,760 --> 01:46:49,199
...just to hold off, while more
research is done. He lost

1112
01:46:49,319 --> 01:46:50,600
...his license for that.

1113
01:46:50,720 --> 01:46:52,359
That was under
Joan Simeon.

1114
01:46:52,479 --> 01:46:53,439
- [Dr Dooley] M-hm.

1115
01:46:53,560 --> 01:46:56,319
- [Liz] So that's a concern for me.
- [Dr Dooley] I actually ... had the same

1116
01:46:56,439 --> 01:46:59,199
...um ... thing
happen to me.

1117
01:46:59,319 --> 01:47:02,520

Um ... a pregnant woman--
mother came in

1118
01:47:02,600 --> 01:47:07,640
...and said ... 'They won't-- They will not
give me a medical exemption, up at the

1119
01:47:07,800 --> 01:47:10,159
'...the only other medical
center, where I live.'

1120
01:47:10,319 --> 01:47:12,760
Uh, and so I said, 'Well

1121
01:47:12,960 --> 01:47:15,840
'...geez, let me go on.'
And I went on to Medsafe

1122
01:47:16,439 --> 01:47:18,239
For ... the, uh--

1123
01:47:18,960 --> 01:47:20,119
You know, the--

1124
01:47:20,239 --> 01:47:22,760
And, uh ... the, uh

1125
01:47:22,960 --> 01:47:25,600
...the Medsafe itself,
under pregnancy said

1126
01:47:25,720 --> 01:47:27,720
'...we don't know--'
At that point, I knew.

1127
01:47:27,840 --> 01:47:30,640
'We don't know-- Have enough
information, to say that this is safe.'

1128
01:47:30,760 --> 01:47:32,159
'Ask your GP.'

1129

01:47:32,279 --> 01:47:33,680
Well, I said 'Okay!'

1130
01:47:33,800 --> 01:47:35,880
I copied that. Put it
on the exemptions--

1131
01:47:36,000 --> 01:47:38,720
'You've asked me. If Medsafe
can't tell me it's safe

1132
01:47:38,840 --> 01:47:40,560
'...I'm not gonna
tell you it's safe.'

1133
01:47:40,680 --> 01:47:42,199
I get a call ... um

1134
01:47:42,319 --> 01:47:46,239
...a week later from the
head doctor at the hospital.

1135
01:47:46,520 --> 01:47:48,840
And she goes, 'Why did you do--
Why did you give her

1136
01:47:48,960 --> 01:47:50,920
'...a medical
exemption?' I said

1137
01:47:51,159 --> 01:47:53,600
'Did you read it?' She says,
'Yeah!' I said

1138
01:47:53,800 --> 01:47:55,920
'Medsafe can't
say it's safe!

1139
01:47:56,239 --> 01:47:58,399
'I'm not gonna say it's safe!
How can you say it's safe?'

1140
01:47:58,520 --> 01:47:59,960

She says, 'Well

1141
01:48:00,079 --> 01:48:03,119
'...the GP-- The Royal College of
New Zealand GP says it's safe.'

1142
01:48:03,239 --> 01:48:07,119
I said, 'Well I don't care what they say.
I don't know where they get their information

1143
01:48:07,239 --> 01:48:08,560
'...but I'm gonna say.

1144
01:48:09,039 --> 01:48:11,880
'Under my ... watch. No.'
So, anyway

1145
01:48:12,039 --> 01:48:14,199
...uh, luckily, that
didn't go anywhere.

1146
01:48:14,319 --> 01:48:17,880
Uh, but, I'm sad to hear
that Doctor Shelton had that

1147
01:48:18,000 --> 01:48:19,520
...happen to him, because

1148
01:48:20,840 --> 01:48:24,359
...if it's not us that stands between--
That stands in front of our patients

1149
01:48:24,479 --> 01:48:28,960
...in a protective manner, okay?
Or the baby, coming. Who will?

1150
01:48:29,520 --> 01:48:30,520
And, yeah!

1151
01:48:30,640 --> 01:48:34,560
And we patients rely on that.
We rely on you doctors

1152
01:48:34,680 --> 01:48:35,600
- ...to advocate
- Yeah.

1153
01:48:35,720 --> 01:48:39,760
...for us to be safe, which
puts you right in the middle

1154
01:48:40,000 --> 01:48:43,119
...of a dilemma, when you're
being pressured from above.

1155
01:48:43,319 --> 01:48:45,760
And, what is the
Hippocratic Oath

1156
01:48:45,880 --> 01:48:46,960
- ...to us, to the patients?
- Yeah, well I mean, Liz.

1157
01:48:47,079 --> 01:48:48,359
It's really heartbreaking to me

1158
01:48:48,479 --> 01:48:49,479
...cos I love medicine.

1159
01:48:49,600 --> 01:48:53,319
You know. It's really heartbreaking
to me to see this, um

1160
01:48:53,560 --> 01:48:58,680
...how fast this great, uh,
tradition is being crumbled

1161
01:48:58,800 --> 01:49:02,000
...because, uh, of the
lack of trust you see--

1162
01:49:02,119 --> 01:49:04,239
I hear so many people saying,
'I just, you know

1163

01:49:04,359 --> 01:49:08,239
'I just don't trust the system-- How could
they do this blah, blah, blah?' You know?

1164
01:49:08,359 --> 01:49:09,439
- And, the point is--
- I'm going to be

1165
01:49:09,560 --> 01:49:12,039
...more blunt. I have friends who say,
'I'll never trust doctors again.'

1166
01:49:12,159 --> 01:49:14,079
- Yeah ...
- After their experience in hospitals

1167
01:49:14,199 --> 01:49:15,760
...where they know
the doctors are lying.

1168
01:49:15,880 --> 01:49:16,920
The doctors are saying

1169
01:49:17,039 --> 01:49:19,159
'You just have anxiety.'
And they're saying

1170
01:49:19,279 --> 01:49:21,760
'I have a racing heart! I know
the jab has injured me.'

1171
01:49:21,880 --> 01:49:22,920
And the doctors
are going

1172
01:49:23,039 --> 01:49:24,920
'No, it's just anxiety.
Go home.'

1173
01:49:25,039 --> 01:49:25,760
- I got ...
- That is

1174

01:49:25,880 --> 01:49:27,039

- ...damaging

1175

01:49:27,159 --> 01:49:29,960

- [Liz] ...the doctors [Indistinct]

- I have ... some insight

1176

01:49:30,079 --> 01:49:31,640

...that they'll tell you, I--

1177

01:49:32,239 --> 01:49:33,800

Because

I am a doctor

1178

01:49:34,000 --> 01:49:37,119

...I have nurses,

who ... you know

1179

01:49:37,359 --> 01:49:40,680

...relate to me, things that they

would never relate to anybody else.

1180

01:49:41,119 --> 01:49:43,319

Kind of confidentially,

if you will.

1181

01:49:43,880 --> 01:49:47,840

And, at the hospital ... uh

1182

01:49:48,079 --> 01:49:50,399

...that is the nearest

to us over the hill.

1183

01:49:50,640 --> 01:49:54,039

Um, I had nurses

who had told me

1184

01:49:54,680 --> 01:49:58,399

...in different times, so I know that they're
not conspiring to tell me this thing.

1185

01:49:58,520 --> 01:50:03,119

Um, that in order for

them to vent their

1186
01:50:03,359 --> 01:50:06,079
...um, fears,
to each other

1187
01:50:06,640 --> 01:50:08,760
...uh, they go out
into the car park

1188
01:50:08,880 --> 01:50:10,359
...on break,
and talk about it.

1189
01:50:10,760 --> 01:50:12,680
And leave their
phones behind.

1190
01:50:12,800 --> 01:50:13,800
This is how
it's gotten.

1191
01:50:13,920 --> 01:50:17,560
Doctors and nurses actually
going out into the car park to

1192
01:50:17,720 --> 01:50:20,640
...talk about, 'My God. I can't--
I've never seen so many myocarditis.

1193
01:50:20,720 --> 01:50:22,520
I've never seen so much
pericarditis. What--

1194
01:50:22,640 --> 01:50:23,800
What's going on?'

1195
01:50:24,039 --> 01:50:27,039
Voltaire once said
man is born free

1196
01:50:27,359 --> 01:50:28,840
...and everywhere

he is in chains.

1197
01:50:28,960 --> 01:50:30,439
It applies
to doctors.

1198
01:50:30,560 --> 01:50:33,239
Doctors go into medical
school, free and idealistic.

1199
01:50:33,359 --> 01:50:35,800
- Yeah.
- And then they become enchainied.

1200
01:50:35,920 --> 01:50:37,119
So, these levers of

1201
01:50:37,239 --> 01:50:39,520
...power that I
referred to earlier.

1202
01:50:39,920 --> 01:50:43,119
The payment of
medical insurance becomes

1203
01:50:43,239 --> 01:50:45,960
...one of the ways in
which a doctor can be

1204
01:50:46,199 --> 01:50:48,880
...uh, directed
in a certain

1205
01:50:49,000 --> 01:50:50,560
- ...in a certain direction.
- Yeah.

1206
01:50:50,680 --> 01:50:53,560
The license becomes
another lever of power

1207
01:50:53,680 --> 01:50:56,119
- Mm-hmm.

- And the threat of losing

1208

01:50:56,239 --> 01:50:58,079
...losing one's livelihood,
becomes a threat, doesn't it?

1209

01:50:58,199 --> 01:51:00,079
Yeah! And ... uh

1210

01:51:00,199 --> 01:51:02,960
...a certain amount of, um.

1211

01:51:03,319 --> 01:51:05,600
Whatcha say, uh,
pharmaceutical?

1212

01:51:05,720 --> 01:51:07,319
Um, uh.

1213

01:51:07,439 --> 01:51:10,479
Uplifting, if you will ... at medical
school. I think I told you this is.

1214

01:51:10,600 --> 01:51:13,079
This is the first week of medical
school in ... Philadelphia.

1215

01:51:13,199 --> 01:51:16,279
This is the story I wanted
you to tell, because it tells me

1216

01:51:16,399 --> 01:51:18,239
- ...about the the very kind of
- Yeah.

1217

01:51:18,359 --> 01:51:19,960
- ...doctor you were always going to be.
- Yeah.

1218

01:51:20,079 --> 01:51:21,079
- So what happened?
- So ... so, um

1219
01:51:21,840 --> 01:51:22,600
...uh--

1220
01:51:22,720 --> 01:51:24,279
The very first--
You know. We-- You know

1221
01:51:24,399 --> 01:51:26,920
...it's like one out of every
seventy-two got into medical school

1222
01:51:27,039 --> 01:51:29,720
...so it was quite a-- You know, you finally
get there. You think, 'Oh, wow!' You know?

1223
01:51:29,840 --> 01:51:33,840
And ... the first week of medical school,
at Jefferson, they gave us

1224
01:51:33,960 --> 01:51:37,199
...this really nice leather
black bag, with a stethoscope

1225
01:51:37,319 --> 01:51:39,079
...and a reflex hammer.

1226
01:51:39,199 --> 01:51:42,039
And, it all had
Eli Lilly's name on it.

1227
01:51:42,159 --> 01:51:44,640
- One of the big pharmaceutical--
- Big pharmaceuticals back then.

1228
01:51:44,880 --> 01:51:45,880
And, uh. I thought

1229
01:51:46,000 --> 01:51:47,800
'Wow, that's pretty nice.
Thank you, Lily!'

1230
01:51:47,920 --> 01:51:49,920

And, uh. You know, I thought that
was gonna be the end of it.

1231
01:51:50,039 --> 01:51:50,840
Oh, no.

1232
01:51:50,960 --> 01:51:53,199
About ... a week into school

1233
01:51:53,319 --> 01:51:56,680
...we were across the street
at the bar. Doc Watson's.

1234
01:51:56,800 --> 01:51:59,039
And-- Three
of us, I recall.

1235
01:51:59,159 --> 01:52:02,159
And, we were just talking, you know.
As in the grade, and--

1236
01:52:02,279 --> 01:52:03,840
I remember one of the
guys said, 'You know

1237
01:52:03,960 --> 01:52:06,439
'...I can't wait, man! I'm gonna
be making a lot of money!'

1238
01:52:06,560 --> 01:52:08,560
And we-- And the other
two of us was like.

1239
01:52:08,680 --> 01:52:11,319
'Hey, man! That's not what you came
here for. You came here to help people.'

1240
01:52:11,439 --> 01:52:14,039
'Don't give me that stuff
about making money!'

1241
01:52:14,319 --> 01:52:15,840
Anyway, just about that time

- I wish

1242

01:52:15,960 --> 01:52:18,760

- ...that was taught and medical school!

- Yeah, just about that time

1243

01:52:18,880 --> 01:52:21,840

...this well dressed

young guy comes in.

1244

01:52:21,960 --> 01:52:25,439

He pats is on the back, and he says,

'Hi guys, you new freshmans here.'

1245

01:52:25,560 --> 01:52:27,159

And they go, 'Yeah!'

1246

01:52:27,279 --> 01:52:29,800

And he goes, 'Well, I'm

John so on, from Lily!

1247

01:52:29,920 --> 01:52:33,960

'Did you like our bag, and our

... stethoscopes, and flex hammers?'

1248

01:52:34,079 --> 01:52:35,880

And we go, 'Wow! Yeah!

Thank you very much!'

1249

01:52:36,000 --> 01:52:37,319

He goes, 'You know, guys?

1250

01:52:37,880 --> 01:52:39,039

'I like you!'

1251

01:52:39,159 --> 01:52:43,520

He says, 'Down the road, they have that
five-star Le Bec-Fin, French restaurant.'

1252

01:52:43,880 --> 01:52:46,560

Way beyond anything we

could even imagine, right?

1253
01:52:46,680 --> 01:52:48,479
He says, 'I've got
an expense account.

1254
01:52:48,600 --> 01:52:51,359
'You go-- I'll take you guys to--
You can have anything on the menu.

1255
01:52:51,479 --> 01:52:53,159
'Any wine you want.'

1256
01:52:53,279 --> 01:52:55,079
We're like, 'Wow!'

1257
01:52:55,199 --> 01:52:57,560
And I'm like, 'What?'

1258
01:52:58,079 --> 01:53:00,000
Those two went,
and I never--

1259
01:53:00,119 --> 01:53:04,000
I never took up another offer from a
pharmaceutical, because there is--

1260
01:53:04,119 --> 01:53:08,800
There were golfing trips, and all
kinds of things. And, so ... this

1261
01:53:08,920 --> 01:53:11,359
...kind of dance, uh,
begins very early

1262
01:53:11,479 --> 01:53:14,359
...uh, with the
... uh, with them.

1263
01:53:14,479 --> 01:53:16,319
- It's a grooming.
- It's a grooming!

1264
01:53:16,439 --> 01:53:18,359

- It's a grooming. Yeah.
- It's a dance of corruption.

1265
01:53:18,479 --> 01:53:21,079
It's a very ugly dance. And--

1266
01:53:21,399 --> 01:53:23,479
And, although
I do feel sorry for

1267
01:53:23,600 --> 01:53:27,239
...the fact that those doctors
might lose their careers for now.

1268
01:53:27,479 --> 01:53:29,680
Any of these doctors who
have gone along with it

1269
01:53:29,800 --> 01:53:33,159
...but who will speak up,
will become national heroes.

1270
01:53:33,279 --> 01:53:36,199
So I would ask for any whistleblowers,
if you have any conscience

1271
01:53:36,319 --> 01:53:39,119
...please, put down
that medical qualification

1272
01:53:39,239 --> 01:53:42,279
...for a while at least,
until this is won.

1273
01:53:42,560 --> 01:53:44,880
What is it that needs
to be won back?

1274
01:53:45,000 --> 01:53:47,000
What is it at the core
of what you would like

1275
01:53:47,119 --> 01:53:51,159

...to achieve from this interview,
here today, Doctor Bruce?

1276
01:53:51,680 --> 01:53:53,800
Well, first of all,
I have a--

1277
01:53:54,039 --> 01:53:55,920
I have a set
purpose here.

1278
01:53:56,039 --> 01:54:00,600
One focused purpose,
and that is, we must not let

1279
01:54:00,800 --> 01:54:04,000
...this misinformation,
disinformation issue

1280
01:54:04,119 --> 01:54:06,039
...reach New Zealand.

1281
01:54:06,279 --> 01:54:07,880
Already, Joan Simeon

1282
01:54:08,000 --> 01:54:09,439
...has put out a letter

1283
01:54:09,680 --> 01:54:11,199
...to all doctors

1284
01:54:11,760 --> 01:54:13,840
...saying there are

1285
01:54:13,960 --> 01:54:16,680
...just a few doctors--
They shouldn't call them fringe

1286
01:54:16,800 --> 01:54:19,239
...who are creating misinformation,
and disinformation

1287

01:54:19,359 --> 01:54:20,720
...in New Zealand.

1288
01:54:20,960 --> 01:54:21,880
And

1289
01:54:22,000 --> 01:54:24,960
...the Medical Council of New Zealand
is going to take a look at

1290
01:54:25,159 --> 01:54:28,279
...um, misinformation,
and disinformation.

1291
01:54:28,399 --> 01:54:31,039
Uh, ergo, we're
going ... to look at

1292
01:54:31,159 --> 01:54:34,760
...what was just passed with the
Federation State Medical Boards in April.

1293
01:54:34,880 --> 01:54:38,720
And, we'd like your input
before we vote on it.

1294
01:54:39,640 --> 01:54:43,640
If we stand by, and we let the
Medical Council of New Zealand

1295
01:54:44,039 --> 01:54:47,760
...incorporate this as one
of their bylaws, et cetera

1296
01:54:47,840 --> 01:54:52,399
...into their ... policies
and procedures

1297
01:54:53,000 --> 01:54:56,960
...that, that will be
the final gag on

1298
01:54:57,199 --> 01:55:00,520

...anything that
a doctor says

1299
01:55:00,920 --> 01:55:05,319
...that would be counter to
the mainstream narrative.

1300
01:55:06,119 --> 01:55:10,079
And, Liz! There's never been
a debate in this country

1301
01:55:10,199 --> 01:55:11,720
...particularly
about this Covid.

1302
01:55:11,840 --> 01:55:14,399
There's never been a
debate about the science.

1303
01:55:14,840 --> 01:55:15,640
Never!

1304
01:55:15,760 --> 01:55:19,119
It's always been this is the
... and, you know

1305
01:55:19,239 --> 01:55:20,680
...this is the way it is.
This is the

1306
01:55:20,800 --> 01:55:24,359
...truth. And it's like the Truth Ministry
coming from the Ministry of Health.

1307
01:55:24,479 --> 01:55:26,359
And, meanwhile
the doctors

1308
01:55:26,600 --> 01:55:28,239
...uh, around the world

1309
01:55:28,359 --> 01:55:31,720
...who are getting these signals

that are counter to that truth

1310

01:55:31,840 --> 01:55:33,840

...are trying to
say something.

1311

01:55:33,960 --> 01:55:37,640

Most of them are getting
slap down, particularly if their

1312

01:55:37,760 --> 01:55:41,680

...medical councils are members
of the international arm.

1313

01:55:41,800 --> 01:55:44,359

The ones, interestingly
enough that have--

1314

01:55:44,479 --> 01:55:47,640

That are not on the international
arm of the federation--

1315

01:55:47,760 --> 01:55:51,239

They ... have incorporated

1316

01:55:51,359 --> 01:55:55,399

...early treatment program--
Early ... treatment

1317

01:55:56,159 --> 01:55:58,920

...medications, such as
ivermectin, hydroxychloroquine.

1318

01:55:59,039 --> 01:56:01,640

Japan is a country that's
not is not controlled from

1319

01:56:01,760 --> 01:56:03,039

- ...from this ... yep.
- Peru! Uh

1320

01:56:03,159 --> 01:56:03,840

Um.

1321
01:56:04,159 --> 01:56:05,800
Uh, Uttar Pradesh.

1322
01:56:05,920 --> 01:56:09,119
Uttar Pradesh is one of the
most important studies

1323
01:56:09,239 --> 01:56:11,960
...of what ... we could
have done in New Zealand.

1324
01:56:12,079 --> 01:56:14,680
What an alternative
was to this rollout

1325
01:56:14,800 --> 01:56:18,439
...of the Covid response that
we had, because what did

1326
01:56:18,560 --> 01:56:20,079
...they do? They
put a little package

1327
01:56:20,199 --> 01:56:21,199
- ...together for every
- Yeah.

1328
01:56:21,319 --> 01:56:23,039
- ...one of their citizens.
- Well most importantly I think

1329
01:56:23,159 --> 01:56:24,640
...that really the

1330
01:56:24,760 --> 01:56:27,199
...the head of Uttar Pradesh
is a holy man.

1331
01:56:27,560 --> 01:56:28,479
[Dr Dooley] He's a monk.

1332

01:56:28,600 --> 01:56:32,640
And he is ... he's
completely incorruptible.

1333
01:56:32,760 --> 01:56:36,279
And has been known for--
To be ... incorruptible

1334
01:56:36,399 --> 01:56:38,680
...for, you know, decades.

1335
01:56:38,880 --> 01:56:40,680
And he just said 'No.'

1336
01:56:40,800 --> 01:56:44,479
He says, you know, I'm not
going to say no to this

1337
01:56:44,600 --> 01:56:48,640
...if it works. And they actually felt
that it did. So they handed out

1338
01:56:48,760 --> 01:56:50,520
...care packages.
Like I did, actually.

1339
01:56:50,640 --> 01:56:51,079
And these

1340
01:56:51,199 --> 01:56:53,319
...care packages were,
I know over there

1341
01:56:53,439 --> 01:56:55,720
...they were about two dollars
seventy. Were they expensive

1342
01:56:55,840 --> 01:56:57,279
- ...for you?
- Very expensive for me

1343
01:56:57,399 --> 01:56:59,279
...because I had--

I used, um

1344
01:56:59,399 --> 01:57:01,840
...compounded,
inside of New Zealand.

1345
01:57:01,960 --> 01:57:03,640
I didn't import, but--

1346
01:57:03,760 --> 01:57:05,399
- Um, which I--
- Tell us what you did.

1347
01:57:05,520 --> 01:57:06,039
Tell us what you

1348
01:57:06,159 --> 01:57:07,279
...did for your patients.

1349
01:57:07,399 --> 01:57:09,159
- Well, proper to ...
- This was prior to the--

1350
01:57:09,279 --> 01:57:11,399
...um, Omicron hitting.
- Yeah.

1351
01:57:11,520 --> 01:57:14,000
You know, again I put
out this information.

1352
01:57:14,119 --> 01:57:16,399
I said look, you know,
this is not so bad--

1353
01:57:16,520 --> 01:57:18,399
But, for my patients

1354
01:57:18,520 --> 01:57:20,520
...uh ... we, um--

1355
01:57:20,640 --> 01:57:25,159

I prepared a Covid--
We call it the Covid Ready Kit.

1356
01:57:25,399 --> 01:57:27,039
And, it had
ivermectin in it.

1357
01:57:27,159 --> 01:57:29,680
It had vitamin D.
It had melatonin.

1358
01:57:29,800 --> 01:57:32,439
Had aspirin in it.
You know, little aspirin.

1359
01:57:32,560 --> 01:57:36,600
...and instructions,
and it was there in, uh

1360
01:57:36,720 --> 01:57:38,399
...in the ready, if you will.

1361
01:57:38,520 --> 01:57:40,560
They they call it here,
a back pocket.

1362
01:57:40,680 --> 01:57:45,319
But as a rural doctor,
I'm allowed to prescribe

1363
01:57:45,439 --> 01:57:48,199
...and stock, um

1364
01:57:48,319 --> 01:57:49,079
...medications.

1365
01:57:49,199 --> 01:57:51,199
And what were the results?
Do you know any results from

1366
01:57:51,399 --> 01:57:52,439
- ...from the--
- Oh yeah, I mean.

1367
01:57:52,560 --> 01:57:55,800
We've never ... we had
two hundred and fifty people

1368
01:57:55,920 --> 01:57:58,439
...avail themselves
of this package.

1369
01:57:58,680 --> 01:58:04,079
And, uh, there was ...
not one single hospital visit

1370
01:58:05,199 --> 01:58:07,119
- That is extraordinary.
- Yeah.

1371
01:58:07,239 --> 01:58:08,960
And in-- And in

1372
01:58:09,079 --> 01:58:09,880
...fact.

1373
01:58:10,560 --> 01:58:13,119
Uh, one of the
patients who, uh

1374
01:58:13,239 --> 01:58:15,359
...recovered,
and, you know.

1375
01:58:15,479 --> 01:58:17,199
Not unusual today.

1376
01:58:17,319 --> 01:58:20,479
In two days he was
back on-- His wife

1377
01:58:21,000 --> 01:58:24,520
...happened to
mention to a local

1378

01:58:24,640 --> 01:58:28,920

...nurse, how fast
a recovery he had.

1379

01:58:29,039 --> 01:58:33,000

And the nurse said, 'Well how's that possible?'
And he said, 'Well Doctor Dooley.

1380

01:58:33,119 --> 01:58:36,600

'We had purchased a thing of
ivermectin from me.' She goes

1381

01:58:36,720 --> 01:58:39,399

'You gave him
horse paste?'

1382

01:58:39,520 --> 01:58:45,880

That's what a nurse said. That shows you the
power of the influence of the media, that they can

1383

01:58:46,000 --> 01:58:51,119

...actually-- They can actually create
this illusion in people's minds that--

1384

01:58:51,239 --> 01:58:53,840

We're dealing with the drug
that's won the Nobel Prize.

1385

01:58:53,960 --> 01:58:56,000

It's got three billion--

1386

01:58:56,119 --> 01:58:57,560

Billion people
were given.

1387

01:58:57,800 --> 01:59:01,800

It's one of the safest.
It's safer than paracetamol.

1388

01:59:01,920 --> 01:59:09,000

I mean there's just ... no harm to be done,
using it, what we call, off label

1389

01:59:09,119 --> 01:59:11,399

...or, you know,
repurposed.

1390

01:59:11,760 --> 01:59:13,800

We are by law,
allowed.

1391

01:59:13,920 --> 01:59:17,039

We-- And not only by law but, it's right
there in the Medical Council saying

1392

01:59:17,159 --> 01:59:22,039

...on prescriptions, doctors are
allowed to, as long as it's safe

1393

01:59:22,159 --> 01:59:25,039

...they're allowed to use drugs,
repurposed, off label.

1394

01:59:25,159 --> 01:59:28,319

And yet this has been
completely stopped.

1395

01:59:28,439 --> 01:59:29,359

- You, and of course--

- And now I'm

1396

01:59:29,479 --> 01:59:31,880

...being attacked now, by
the Medical Council for that.

1397

01:59:32,000 --> 01:59:34,479

And there's no big profit
margin in that. is there?

1398

01:59:34,600 --> 01:59:36,279

- There's no--
- There's no. Yeah.

1399

01:59:36,399 --> 01:59:39,119

You spoke to
me before we

1400
01:59:39,239 --> 01:59:40,319
...came to do
this interview.

1401
01:59:40,439 --> 01:59:44,760
You used the most beautiful
description of a doctor's real

1402
01:59:44,880 --> 01:59:46,960
...art. It is a
marriage, isn't it?

1403
01:59:47,079 --> 01:59:48,520
- Between--
- It's an

1404
01:59:48,640 --> 01:59:50,960
...absolute dance
between science

1405
01:59:51,079 --> 01:59:52,199
...and the art.

1406
01:59:52,319 --> 01:59:54,199
The art ... you know.

1407
01:59:54,439 --> 01:59:55,960
We. We're given--

1408
01:59:56,079 --> 01:59:58,800
We're at the end of a fire hose
of information in medical school.

1409
01:59:58,920 --> 02:00:00,319
And we continue to

1410
02:00:00,439 --> 02:00:03,960
...keep ourselves abreast
of things, over the years.

1411
02:00:04,079 --> 02:00:05,279
But, at the

same time

1412

02:00:05,399 --> 02:00:09,600

...you need to be able to have some empathy,
and respond, and have

1413

02:00:09,720 --> 02:00:13,159

...bedside manner, and
be able to, uh, you know

1414

02:00:13,960 --> 02:00:17,760

...grock that there's something else
behind this, than just, you know

1415

02:00:17,880 --> 02:00:20,640

...a blood test, or this thing--
That's not what a patient is.

1416

02:00:20,760 --> 02:00:23,880

A patient's not just a ...

1417

02:00:24,000 --> 02:00:27,279

...an objective thing. There's
not a lot of subjective

1418

02:00:27,399 --> 02:00:30,760

...to healing, or helping a
person heal, you know.

1419

02:00:30,880 --> 02:00:33,159

And I want to quote here,
somebody who I know is one of your

1420

02:00:33,279 --> 02:00:34,800

...mentors.

And a doctor

1421

02:00:34,920 --> 02:00:38,000

...that I spoke to last night, said
when she was at medical school

1422

02:00:38,119 --> 02:00:41,359

...this doctor. Doctor Mike Godfrey,

who's now in his eighties

1423

02:00:41,479 --> 02:00:42,880

...was one of
her heroes.

1424

02:00:43,000 --> 02:00:46,800

He is just somebody. And this is a book
I would recommend to everybody to read.

1425

02:00:46,920 --> 02:00:51,920

What's the Matter? A doctor's
journey into our innate spirituality

1426

02:00:52,039 --> 02:00:55,079

But this is what he
wrote, about the

1427

02:00:55,199 --> 02:00:58,199

...as you say the art
of medicine. He says here

1428

02:00:58,319 --> 02:00:59,840

'I hope the practice
of medicine

1429

02:01:00,520 --> 02:01:05,119

'...will move from the present commercialised,
and mechanistic business

1430

02:01:05,239 --> 02:01:07,439

'...where patients
are regarded as clients

1431

02:01:07,560 --> 02:01:09,159

'...and there is a prescribed

1432

02:01:09,279 --> 02:01:11,760

'...pill for every ill,
to a more

1433

02:01:11,880 --> 02:01:16,800

'...humane, compassionate, and empathetic

attitude to suffering humanity.

1434

02:01:16,920 --> 02:01:19,159
'By doing this, it will also
become not only more

1435

02:01:19,279 --> 02:01:20,199
'...efficient_

1436

02:01:20,439 --> 02:01:23,520
'...but in my experience
also far more rewarding_

1437

02:01:23,640 --> 02:01:25,880
'...and indeed enjoyable._

1438

02:01:26,000 --> 02:01:28,920
And that's for doctors,
as well as for patients.

1439

02:01:29,159 --> 02:01:31,600
Hmm. Yes, Mike is
amazing, man.

1440

02:01:31,720 --> 02:01:34,199
And, New Zealand is so
fortunate to have him, and

1441

02:01:34,319 --> 02:01:38,000
...unfortunately, he also was
forced out of his registration.

1442

02:01:38,119 --> 02:01:44,000
Uh, at the age of seventy, because he
just was a non-conformer ... to the narrative.

1443

02:01:44,119 --> 02:01:48,319
But, Doctor Bruce. Sitting here listening to you,
I know when you say, 'I love medicine'

1444

02:01:48,439 --> 02:01:50,159
...that you love
the best

1445
02:01:50,279 --> 02:01:53,319
...of what medicine has
to offer. But, you have the

1446
02:01:53,439 --> 02:01:57,720
...intelligence. The open-mindedness
to look for other options.

1447
02:01:57,840 --> 02:02:01,640
That is what I look for in my doctor, first
and foremost is, are you open minded?

1448
02:02:01,760 --> 02:02:05,520
Or are you propagandised?
Are you programmed?

1449
02:02:05,640 --> 02:02:06,960
That is what I look for.

1450
02:02:07,079 --> 02:02:09,800
What was it about Mike Godfrey,
that so inspired you?

1451
02:02:10,359 --> 02:02:12,279
[Dr Dooley] Yeah, I met Mike._
He was the, uh--

1452
02:02:12,399 --> 02:02:14,680
He was the New Zealand
representative at

1453
02:02:14,800 --> 02:02:17,840
...our board meetings in ACAM,
back in the mid nineties. He was

1454
02:02:17,960 --> 02:02:19,760
...this incredible, um

1455
02:02:19,880 --> 02:02:24,279
...man, who had this great,
Mana about him.

1456

02:02:24,399 --> 02:02:28,800

And, he was trained at one of the top
English London schools-- Medical schools.

1457

02:02:28,920 --> 02:02:32,359

And, he uh, just has, um

1458

02:02:32,479 --> 02:02:36,840

...the most open mind to
possibilities-- Potentials.

1459

02:02:36,960 --> 02:02:39,800

And he doesn't--

His mind is not blinkered.

1460

02:02:39,920 --> 02:02:42,159

Unfortunately, medical
school in many ways

1461

02:02:42,279 --> 02:02:46,680

...blinkers people to--

This is the only truth.

1462

02:02:46,800 --> 02:02:48,359

And, that

1463

02:02:48,680 --> 02:02:49,640

...sadly

1464

02:02:49,760 --> 02:02:53,880

...leaves a lot of people--

A lot of, particularly physicians

1465

02:02:54,000 --> 02:02:58,920

...to just completely dismiss anything,
that wasn't taught in medical school.

1466

02:02:59,039 --> 02:03:01,520

And, to me that's
a real shame.

1467

02:03:01,640 --> 02:03:04,439

The point is, is that
if it works, it works.

1468
02:03:04,560 --> 02:03:07,079
And if the patients keep
coming back, and it's safe

1469
02:03:07,199 --> 02:03:10,399
...then why not use it?
And why be-- Why be told

1470
02:03:10,520 --> 02:03:13,239
...that you know, you're gonna lose--
We're gonna take away your

1471
02:03:13,359 --> 02:03:16,319
...means of making
a living, doctor. If you do.

1472
02:03:16,720 --> 02:03:18,439
And, that's exactly why
I asked that question.

1473
02:03:18,560 --> 02:03:20,039
What is it about him
that you admire?

1474
02:03:20,159 --> 02:03:23,079
Because, he must embody this
sort of medicine you would love

1475
02:03:23,199 --> 02:03:25,359
...to see trained and practiced.

1476
02:03:25,479 --> 02:03:27,800
- Hmm.
- How do we get from here?

1477
02:03:27,920 --> 02:03:30,119
With this covert

1478
02:03:30,239 --> 02:03:33,000
...opaque body

in America, that is

1479

02:03:33,119 --> 02:03:36,840

...influencing, right down-through Joan Simeon,
who heads our Medical Council.

1480

02:03:36,960 --> 02:03:39,039

Right through
New Zealand, now.

1481

02:03:39,159 --> 02:03:42,199

How do we get to this
open mindedness again?

1482

02:03:42,319 --> 02:03:44,039

How do we change
what is going on?

1483

02:03:44,159 --> 02:03:47,239

I mean for me as a communicator,
number one is be aware.

1484

02:03:47,720 --> 02:03:49,439

Doctors that
are on the

1485

02:03:49,560 --> 02:03:51,000

...board of the
Medical Council.

1486

02:03:51,119 --> 02:03:53,720

They don't have any idea
about this federation.

1487

02:03:53,840 --> 02:03:55,239

They don't
have any idea.

1488

02:03:55,359 --> 02:03:57,359

They are there--
They're serving.

1489

02:03:57,479 --> 02:03:59,760

They're doing what
they think is a great job.

1490
02:03:59,880 --> 02:04:01,119
And now this

1491
02:04:01,239 --> 02:04:02,720
...misinformation, disinformation

1492
02:04:02,840 --> 02:04:05,079
...thing, is gonna
come through.

1493
02:04:05,199 --> 02:04:06,720
But, in the luncheon

1494
02:04:06,840 --> 02:04:10,960
...before the April vote on the
misinformation, disinformation

1495
02:04:11,079 --> 02:04:16,039
...they had the President of
the California Medical Board

1496
02:04:16,159 --> 02:04:19,680
...quote, unquote.
Her letter, that was

1497
02:04:19,960 --> 02:04:21,239
...excoriating.

1498
02:04:21,359 --> 02:04:24,279
And, I don't believe she actually wrote this.
I think it was written by the Federation.

1499
02:04:24,399 --> 02:04:26,479
It was read by somebody
else at the meeting.

1500
02:04:26,600 --> 02:04:28,680
And it's available
on YouTube.

1501
02:04:28,800 --> 02:04:32,840
The point is, is that, they
literally used the word

1502
02:04:32,960 --> 02:04:35,000
...in referring to
misinformation, disinformation

1503
02:04:35,119 --> 02:04:37,359
...and these fringe doctors,
they repeated.

1504
02:04:37,479 --> 02:04:39,840
They used
the word scourge.

1505
02:04:40,199 --> 02:04:44,520
Now, imagine-- Imagine
calling doctors who are

1506
02:04:44,880 --> 02:04:48,439
...talking about ivermectin, basically,
and other things, and

1507
02:04:48,560 --> 02:04:49,960
...vitamin D.

1508
02:04:50,159 --> 02:04:51,600
Imagine that it's

1509
02:04:51,720 --> 02:04:53,600
...gotten to the
point where

1510
02:04:53,720 --> 02:04:57,000
...they feel comfortable
enough, to put that out

1511
02:04:57,119 --> 02:05:00,239
...to the rest of the board
members, just prior to voting.

1512

02:05:00,479 --> 02:05:04,760
But, it's all ...
orchestrated very well, to

1513
02:05:04,880 --> 02:05:06,199
...play this--

1514
02:05:06,920 --> 02:05:08,439
To play this part in

1515
02:05:08,560 --> 02:05:09,399
...the Federation, that is.

1516
02:05:09,520 --> 02:05:13,760
That is, you know. You're here to stop this
scourge. You're here to stop this fringe

1517
02:05:14,159 --> 02:05:15,920
...misinformation,
disinformation

1518
02:05:16,039 --> 02:05:18,920
...because, you know,
it could cause harm.

1519
02:05:19,840 --> 02:05:23,560
This twisting of truth,
that has gone on.

1520
02:05:23,680 --> 02:05:26,319
The word scourge
was used by Hitler.

1521
02:05:26,439 --> 02:05:27,760
- Yes, I know. M-hm.
- About the Jews

1522
02:05:27,880 --> 02:05:31,680
So it is apt. It becomes more,
and more apt, as we watch this

1523
02:05:31,800 --> 02:05:33,880
...kind of Orwellian language

1524
02:05:34,000 --> 02:05:36,720
...come out of things, like in
New Zealand, Te Pūnaha Matatini

1525
02:05:37,399 --> 02:05:39,880
[Liz] ...which is the Government's
propaganda arm.

1526
02:05:40,000 --> 02:05:43,560
We have a propaganda
arm of government.

1527
02:05:43,680 --> 02:05:45,399
Paid by the taxpayers

1528
02:05:45,520 --> 02:05:47,800
...here and in the future,
from the debt that we've got.

1529
02:05:47,920 --> 02:05:50,880
Paid to mislead
the taxpayers.

1530
02:05:51,000 --> 02:05:52,279
- Is this?
- [Dr Dooley] I'm not surprised.

1531
02:05:52,399 --> 02:05:56,079
- [Liz] Could I ... put something to you?
You may disagree with it

1532
02:05:56,199 --> 02:05:59,119
...but to me the feel,
as I researched it was

1533
02:05:59,840 --> 02:06:04,680
...could this FSMB be a
sort of enforcement arm

1534
02:06:05,199 --> 02:06:07,840
...for Big Pharmaceutical.
And that is why

1535
02:06:07,960 --> 02:06:11,800
...it adds up in that case,
that it's so covert. It's so

1536
02:06:11,920 --> 02:06:15,159
...hidden from the world's view.
Is that-- Is that too

1537
02:06:15,279 --> 02:06:18,479
...great a reach? Am I
overreaching myself there?

1538
02:06:18,600 --> 02:06:25,199
Well, I happen to have thought the same thing,
back when I was investigating them.

1539
02:06:25,319 --> 02:06:28,119
And, I actually--
They had, uh

1540
02:06:28,239 --> 02:06:33,359
...they had handed out audio tapes of
the conferences, where they were saying

1541
02:06:33,479 --> 02:06:37,199
...you know, how to get your doctor,
and all these things. And I took it to--

1542
02:06:37,319 --> 02:06:40,640
In Miami, I took it to the world's
top class action law firm.

1543
02:06:40,760 --> 02:06:42,800
They have four
hundred attorneys.

1544
02:06:42,920 --> 02:06:45,079
And I played
these tapes.

1545
02:06:45,199 --> 02:06:47,319
And I said I can get a

hundred doctors together

1546

02:06:47,439 --> 02:06:49,800
...who have been beaten up
by their medical boards

1547

02:06:49,920 --> 02:06:51,039
...uh, councils.

1548

02:06:51,159 --> 02:06:53,319
I can get them together
for a class action suit

1549

02:06:53,439 --> 02:06:56,920
...and we can sue the Federation,
and open their books

1550

02:06:57,039 --> 02:06:59,560
...under discovery,
and find out

1551

02:06:59,680 --> 02:07:01,199
...how are they surviving?

1552

02:07:01,319 --> 02:07:04,239
This is gonna cost--
It costs them tens of thousands of

1553

02:07:04,359 --> 02:07:07,800
...millions of dollars a year, I imagine,
with this kind of operation, and

1554

02:07:07,920 --> 02:07:09,039
...where's the money
coming from?

1555

02:07:09,159 --> 02:07:12,479
The other thing that they
own, and they created

1556

02:07:12,600 --> 02:07:15,960
...is the Disciplinary Data Bank,
that I finally got put into

1557
02:07:16,079 --> 02:07:18,640
...with that second thing.
And the disciplinary data bank

1558
02:07:18,760 --> 02:07:21,840
...is inexpugnable. In other
words you're there for life.

1559
02:07:21,960 --> 02:07:28,840
And, in my case, I'm thrown in there
for one word ... in a ad

1560
02:07:28,960 --> 02:07:32,439
...versus the same people that may have been,
you know, raping their patients

1561
02:07:32,560 --> 02:07:35,279
...and you know, all the other horrible
things, that get disciplined more.

1562
02:07:35,399 --> 02:07:37,319
So all of a sudden, I've
got a disciplinary mark.

1563
02:07:37,439 --> 02:07:41,840
You have to really look closely to see that
this is one ad in the paper-- In a newspaper.

1564
02:07:41,960 --> 02:07:45,399
But, the point is, is that, once
you get a disciplinary mark

1565
02:07:45,520 --> 02:07:47,920
...in this bank, owned
by the Federation

1566
02:07:48,640 --> 02:07:53,000
...it's almost impossible for you
to get licensed in any other state.

1567
02:07:53,119 --> 02:07:56,600
Because, you know, in the application

for licensure in another state

1568
02:07:56,720 --> 02:07:58,960
...they go directly to the
Disciplinary Data Bank

1569
02:07:59,079 --> 02:08:01,359
...and you're pretty
much blackballed.

1570
02:08:01,479 --> 02:08:02,520
Somebody like
Matt Shelton

1571
02:08:02,640 --> 02:08:03,840
- [Liz] ...in New Zealand.
- Yeah.

1572
02:08:03,960 --> 02:08:06,960
[Liz] Would his name, as
someone who was censured for

1573
02:08:07,079 --> 02:08:10,399
...for simply trying to
protect pregnant women

1574
02:08:10,520 --> 02:08:14,239
...and those wanting to become pregnant.
Would his name be linked to that database?

1575
02:08:14,359 --> 02:08:16,520
- Do we know?
- We don't know.

1576
02:08:16,640 --> 02:08:20,920
Matt Shelton and I, and he's
given me permission to say this.

1577
02:08:21,039 --> 02:08:24,560
And he got his letter from the
Medical Council of New Zealand.

1578
02:08:24,680 --> 02:08:27,760

They copied it to the Federation
of State Medical Boards.

1579
02:08:27,880 --> 02:08:31,159
Now why is the New Zealand
Medical Council

1580
02:08:31,279 --> 02:08:34,720
...taking a suspension notice
of Doctor Matt Shelton

1581
02:08:34,840 --> 02:08:38,479
...and copying the Federation
of State Medical Boards?

1582
02:08:39,840 --> 02:08:44,720
Joan Simeon, I would really appreciate being
able to give you a long-form interview

1583
02:08:44,840 --> 02:08:49,760
...before-- Particularly before you take up
your post, as the head of the international

1584
02:08:49,880 --> 02:08:52,720
...arm of this FSMB in America.

1585
02:08:52,840 --> 02:08:53,760
What--

1586
02:08:53,880 --> 02:08:58,479
Who will be her secretary in that
position, when she takes it up?

1587
02:08:58,960 --> 02:09:03,359
The Secretary of the international arm,
as well as being the Secretary of the

1588
02:09:03,479 --> 02:09:05,119
...Federations Board.

1589
02:09:05,239 --> 02:09:05,880
Uh, is

1590
02:09:06,000 --> 02:09:07,640
[Dr Dooley]
...a Doctor Chaudhry.

1591
02:09:08,000 --> 02:09:13,239
And he's-- But he's also the President
and CEO of the entire federation.

1592
02:09:14,159 --> 02:09:18,960
And I understand that doctor Chaudhry from a--
Only from post, I can't confirm this

1593
02:09:19,079 --> 02:09:24,479
...has a salary of seven
hundred thousand US a year

1594
02:09:24,840 --> 02:09:25,920
...for that post.

1595
02:09:26,159 --> 02:09:28,399
So he's on--
He's acting as secretary

1596
02:09:28,520 --> 02:09:31,680
...uh, closely, on the International
Board, and also, the

1597
02:09:31,800 --> 02:09:35,640
...medical-- The board
for the United States.

1598
02:09:35,760 --> 02:09:36,840
- Interesting.
- Again

1599
02:09:36,960 --> 02:09:40,800
...you talked about a lack of debate,
but there would be many Kiwis deeply

1600
02:09:40,920 --> 02:09:44,039
...uneasy with
such close ties

1601
02:09:44,159 --> 02:09:46,439
...to an Americanised
health system.

1602
02:09:46,680 --> 02:09:50,399
The Americanisation of our
health system in New Zealand.

1603
02:09:50,520 --> 02:09:52,520
It's certainly not
something I want.

1604
02:09:52,640 --> 02:09:58,079
The cost in America is
prohibitive for medical procedures.

1605
02:09:58,319 --> 02:10:02,199
You told me a little anecdote,
um, about your stepdaughter

1606
02:10:02,319 --> 02:10:03,680
...and having-- When you
first came to New Zealand

1607
02:10:03,800 --> 02:10:05,800
...you were so impressed with
the New Zealand health system.

1608
02:10:05,920 --> 02:10:07,079
- I was. And it was--
- And you--

1609
02:10:07,199 --> 02:10:08,920
- Can you tell us that story?
- It was so handled so quickly.

1610
02:10:09,039 --> 02:10:12,000
She hurt her finger.
Went to the emergency room.

1611
02:10:12,119 --> 02:10:14,039
Seen quite-- Right away.

1612
02:10:14,159 --> 02:10:15,319
Fracture.

1613
02:10:15,439 --> 02:10:17,399
Had to see the
hand surgeon.

1614
02:10:17,520 --> 02:10:20,359
Hand surgeon came in two hours
later, which is not a long wait.

1615
02:10:20,479 --> 02:10:21,359
Stayed overnight.

1616
02:10:21,479 --> 02:10:24,199
Beautiful place,
with registered nurses

1617
02:10:24,319 --> 02:10:25,640
...and a little playground.

1618
02:10:25,760 --> 02:10:27,520
- And, next morning--
- Her mother could stay with her.

1619
02:10:27,640 --> 02:10:28,640
- Yeah.
- It was very personal.

1620
02:10:28,760 --> 02:10:31,880
And ... her mom was
able to stay with her.

1621
02:10:32,000 --> 02:10:34,640
And the next day,
surgery was done.

1622
02:10:34,760 --> 02:10:37,800
And, you know, of course I'm watching this thing,
going 'Wooh, this is pretty good!' from--

1623
02:10:37,920 --> 02:10:39,439

And I never told 'em
I was a doctor.

1624
02:10:39,560 --> 02:10:40,920
I just wanted to watch.

1625
02:10:41,039 --> 02:10:41,920
And, uh--

1626
02:10:42,479 --> 02:10:44,680
We get to the
sign out desk, right?

1627
02:10:44,800 --> 02:10:46,760
It's about two o'clock
the next day.

1628
02:10:46,880 --> 02:10:49,239
And the woman--
The very nice woman. She says

1629
02:10:49,359 --> 02:10:54,640
'I am so sorry. But there's a three dollar charge
for a soda that wasn't ... that's not covered

1630
02:10:54,760 --> 02:10:56,800
- '...by the government.'
- What do you think as an American?

1631
02:10:56,920 --> 02:10:59,600
And by the way, they had
just arrived from Russia.

1632
02:10:59,800 --> 02:11:01,880
They were on visas.
They weren't even-- They--

1633
02:11:02,000 --> 02:11:03,960
They had only been there
about a month, and they--

1634
02:11:04,079 --> 02:11:06,239
They'd gotten this amazing

treatment, and I'm like--

1635

02:11:06,359 --> 02:11:09,119
I called everybody I could,
back home in the States. I said

1636

02:11:09,239 --> 02:11:12,239
'You won't believe how well
socialised medicine works.'

1637

02:11:12,680 --> 02:11:13,680
It's changed.

1638

02:11:13,840 --> 02:11:17,279
Tell us what that would be, back in America.
What would that have been, had you--

1639

02:11:17,399 --> 02:11:19,840
Oh, that would have been way
over a hundred thousand dollars.

1640

02:11:20,119 --> 02:11:21,119
In cost.

1641

02:11:21,399 --> 02:11:23,199
And, if you
had insurance

1642

02:11:23,319 --> 02:11:25,319
...uh, you-- The insurance
would have paid some of it.

1643

02:11:25,439 --> 02:11:29,000
Most people don't have insurance,
now. It's too expensive.

1644

02:11:29,239 --> 02:11:33,399
Uh, so, yeah. It would-- It's a--
It would have been a huge--

1645

02:11:33,520 --> 02:11:36,319
And in fact, one of the number
one causes of bankruptcy

1646
02:11:36,439 --> 02:11:39,439
...in the United States
is not being able to pay your--

1647
02:11:39,560 --> 02:11:42,479
These enormous bills that
are coming out of-- Just in--

1648
02:11:42,600 --> 02:11:45,359
Emergency room visit could be
thirty-thousand dollars!

1649
02:11:45,920 --> 02:11:47,600
Putting aside my
role as interviewer.

1650
02:11:47,720 --> 02:11:49,319
As a Kiwi mum.
As a Kiwi woman

1651
02:11:49,439 --> 02:11:50,520
- M-hm.
- I have got this

1652
02:11:50,640 --> 02:11:54,560
...rising sense of anxiety,
that the head of our Medical

1653
02:11:54,680 --> 02:11:57,880
[Liz] ...Council, is now going
to be deeply embedded

1654
02:11:58,000 --> 02:12:00,199
...in the FSMB
in America.

1655
02:12:00,319 --> 02:12:01,479
That really worries me

1656
02:12:01,600 --> 02:12:04,399
- ...that we are going to be directed--
- [Dr Dooley] I'm not comfortable with it at all.

1657
02:12:04,600 --> 02:12:06,760
I'm not not comfortable
with it, because--

1658
02:12:09,840 --> 02:12:12,079
Because, we

1659
02:12:12,199 --> 02:12:14,680
...we need-- I think
New Zealand needs

1660
02:12:14,800 --> 02:12:17,159
...to lead the way
here, and say

1661
02:12:17,279 --> 02:12:21,239
'Enough is enough.' We, you know--
We are going to let our doctors

1662
02:12:21,760 --> 02:12:24,079
...uh, because we
trust our doctors

1663
02:12:24,199 --> 02:12:25,760
...say what they
wanna say.

1664
02:12:25,880 --> 02:12:26,600
And

1665
02:12:26,720 --> 02:12:29,279
...a doctor should be able
to say, 'In my opinion

1666
02:12:29,520 --> 02:12:30,119
'...XY

1667
02:12:30,239 --> 02:12:32,159
...Z.' And the patients--

1668
02:12:32,279 --> 02:12:34,960

And these are the reasons
why. Informed consent.

1669
02:12:35,199 --> 02:12:38,520
And then, let
the patient. See--

1670
02:12:39,079 --> 02:12:42,560
I really believe my patients
are smart! And they are!

1671
02:12:42,680 --> 02:12:44,359
And they can make a
decision on themselves.

1672
02:12:44,479 --> 02:12:45,439
They really can.

1673
02:12:45,640 --> 02:12:47,039
If you give
them information

1674
02:12:47,159 --> 02:12:51,279
...they can choose which
way they wanna go ... and

1675
02:12:51,680 --> 02:12:54,000
God bless you! You know, if you
wanna choose that, that's fine!

1676
02:12:54,119 --> 02:12:56,920
My recommendation is this, but.
You know, go-- Carry on!

1677
02:12:57,039 --> 02:13:02,039
I don't hold any contempt for a patient,
that doesn't listen to what I say.

1678
02:13:02,159 --> 02:13:03,800
I don't say, 'Get out
of here! You're--'

1679
02:13:03,920 --> 02:13:05,079

You know, 'You're not listening
to what I'm saying!'

1680
02:13:05,199 --> 02:13:07,399
But I hear that all the time
from patients who say

1681
02:13:07,520 --> 02:13:10,199
'I'd like to, you know, I'd like to do
something like Doctor Dooley's saying.'

1682
02:13:10,319 --> 02:13:12,600
And the patients-- The doctors
are-- Will say, you know

1683
02:13:12,720 --> 02:13:15,560
'No I, you know, if you don't want
to listen to what I'm saying--'

1684
02:13:15,680 --> 02:13:16,920
That kind
of attitude is

1685
02:13:17,039 --> 02:13:20,479
...wrong. Wrong, wrong, wrong.
Patients just don't like it.

1686
02:13:20,600 --> 02:13:22,439
Ultimately, I will
stand by my--

1687
02:13:22,560 --> 02:13:26,000
That the Federation of State Medical
Boards, and the international arm

1688
02:13:26,239 --> 02:13:30,159
...bid-- Pretty much
control medical councils.

1689
02:13:31,279 --> 02:13:32,359
They control them.

1690
02:13:32,479 --> 02:13:33,840

And they have
for a hundred--

1691
02:13:33,960 --> 02:13:37,399
Well, they're a hundred and
six, seven years old now.

1692
02:13:37,520 --> 02:13:38,960
So that when
they speak

1693
02:13:39,079 --> 02:13:41,039
...to the medical councils.
The Medical Council say

1694
02:13:41,159 --> 02:13:43,239
'Well that's the Federation.
That must be true!'

1695
02:13:44,119 --> 02:13:46,159
- They never--
- And they they never look into it, like I do.

1696
02:13:46,279 --> 02:13:47,479
Like, who is this federation?

1697
02:13:47,600 --> 02:13:48,600
Wh-- What?

1698
02:13:48,720 --> 02:13:50,439
How have they been around
for a hundred some years

1699
02:13:50,560 --> 02:13:51,880
...and I don't know
anything about them

1700
02:13:52,000 --> 02:13:53,159
...as a physician.

1701
02:13:53,279 --> 02:13:54,039
Uh, really.

1702
02:13:54,479 --> 02:13:55,680
The medical councils
may know them.

1703
02:13:55,800 --> 02:13:58,640
But I said at the beginning, many
doctors may not know them.

1704
02:13:58,760 --> 02:13:59,800
What's your experience

1705
02:13:59,920 --> 02:14:01,520
- ...when you've talked to fellow doctors?
- Every--

1706
02:14:01,640 --> 02:14:03,760
There's never
been a doctor

1707
02:14:04,279 --> 02:14:05,760
...that I know of.

1708
02:14:05,880 --> 02:14:07,760
Uh, but there's never been
a doctor, that I know of...

1709
02:14:07,880 --> 02:14:09,800
uh, that knows anything
about the Federation

1710
02:14:09,920 --> 02:14:11,199
...of State Medical boards.

1711
02:14:11,319 --> 02:14:13,640
At all. They just never
even heard of 'em.

1712
02:14:13,880 --> 02:14:17,239
So this shows you how this
organisation has been able to

1713
02:14:17,399 --> 02:14:20,319

...keep a cloak of um,
secrecy about them.

1714
02:14:20,439 --> 02:14:24,159
And this is exactly, um, what
I've seen. Is that they operate

1715
02:14:24,279 --> 02:14:26,079
...in the shadows.

1716
02:14:26,199 --> 02:14:29,359
But they have an undue,
inordinate amount of influence

1717
02:14:29,479 --> 02:14:30,479
...on medicine.

1718
02:14:30,600 --> 02:14:32,000
- In the world!
- And they

1719
02:14:32,119 --> 02:14:34,760
...maintain their job is to
protect the public from harm.

1720
02:14:34,880 --> 02:14:37,880
Is there a way that could be
turned around on them, to say

1721
02:14:38,000 --> 02:14:41,560
...in the suppressing of
the voices of those doctors

1722
02:14:41,680 --> 02:14:45,279
...with the courage to stand up and say,
like Damien Wojcik, who said

1723
02:14:45,399 --> 02:14:47,319
'I cannot give true
informed consent--'

1724
02:14:47,439 --> 02:14:50,479
That this jab is safe,

when the Covid-19

1725

02:14:50,600 --> 02:14:52,960

- ...rollout happened.

- And I know Damien, and I know he's--

1726

02:14:53,079 --> 02:14:55,760

He was just doing it. He's a
purest heart I've ever seen.

1727

02:14:55,880 --> 02:14:57,119

- Damien.

- Yes, I've heard that about him.

1728

02:14:57,239 --> 02:14:58,479

- Mm-hmm.

- I don't know him, but I've heard that

1729

02:14:58,600 --> 02:14:59,560

- Amazing.

- ...about him.

1730

02:14:59,680 --> 02:15:02,640

And courageous. For that, he was
punished. He was taken down.

1731

02:15:02,760 --> 02:15:04,439

- He's been gagged.

- M-hm.

1732

02:15:04,560 --> 02:15:07,079

So, could we say, in
suppressing the voices

1733

02:15:07,199 --> 02:15:09,640

...of doctors like that,
who've wanted to question.

1734

02:15:09,760 --> 02:15:12,159

That they are
intrinsically doing harm.

1735

02:15:12,279 --> 02:15:15,199

That the FSMB is
intrinsically doing harm.

1736
02:15:15,319 --> 02:15:18,279
That the New Zealand Medical
Council is doing harm.

1737
02:15:18,399 --> 02:15:22,039
Is running against its very mandate,
because if you don't have the

1738
02:15:22,159 --> 02:15:23,800
...ability to question

1739
02:15:24,119 --> 02:15:26,920
...it's being left to the
very few to decide.

1740
02:15:27,039 --> 02:15:28,520
And what if they
make a mistake?

1741
02:15:28,640 --> 02:15:30,960
If we don't have
open communication

1742
02:15:31,079 --> 02:15:33,439
...we have nothing
in a society, do we?

1743
02:15:33,560 --> 02:15:35,600
We don't.
We-- You have--

1744
02:15:35,720 --> 02:15:37,479
It goes back to
homeostasis, doesn't it?

1745
02:15:37,600 --> 02:15:38,600
- Mmm.
- Balance.

1746
02:15:38,880 --> 02:15:43,039

In anything, if you only have
one side ... it's just this.

1747
02:15:43,159 --> 02:15:46,000
But if you have a, you
know, a scientific debate

1748
02:15:46,119 --> 02:15:48,039
...which is always
has to be--

1749
02:15:48,159 --> 02:15:50,359
Science isn't just always
'Booph! This is it!'

1750
02:15:50,479 --> 02:15:52,680
They try to make it, particularly
if money's involved.

1751
02:15:52,800 --> 02:15:53,840
Lots of money.

1752
02:15:53,960 --> 02:15:55,960
But, the point is,
is that, um

1753
02:15:56,279 --> 02:15:59,880
...we are looking at
a situation of harm

1754
02:16:00,000 --> 02:16:04,119
...which is really interesting,
because back in 1996

1755
02:16:04,239 --> 02:16:05,640
...the Federation

1756
02:16:05,760 --> 02:16:08,439
...realising that the medicine
that we were using

1757
02:16:08,560 --> 02:16:10,399
...couldn't cause

physical harm.

1758
02:16:10,800 --> 02:16:11,520
Right?

1759
02:16:12,439 --> 02:16:15,239
They actually voted, on one
of these delicate meetings

1760
02:16:15,359 --> 02:16:16,479
...two new

1761
02:16:16,600 --> 02:16:19,359
...definitions of harm,
added on to physical harm.

1762
02:16:19,479 --> 02:16:21,600
They added on, harm

1763
02:16:21,720 --> 02:16:23,720
...which was created
with financial harm.

1764
02:16:23,840 --> 02:16:25,640
If you had to pay
out of your pocket

1765
02:16:25,760 --> 02:16:26,760
...to this doctor

1766
02:16:26,880 --> 02:16:28,439
...that's a
financially harmed.

1767
02:16:28,680 --> 02:16:31,720
And the second, uh. The third would be
the second one, that they had--

1768
02:16:31,840 --> 02:16:35,799
Is if you chose to go to this complementary,
alternative medicine doctor

1769

02:16:35,920 --> 02:16:39,200

...and you didn't get better.

And it's-- And you

1770

02:16:39,319 --> 02:16:41,000

...didn't choose the

conventional way

1771

02:16:41,120 --> 02:16:42,239

...then you were harmed.

1772

02:16:42,360 --> 02:16:43,479

Now, that's interesting.

1773

02:16:43,719 --> 02:16:47,399

They just say financial. And also, if you chose this, and you didn't get better

1774

02:16:47,520 --> 02:16:49,120

...then we can also apply

1775

02:16:49,239 --> 02:16:52,120

...to your medical mandate,

Medical Council's-- harm.

1776

02:16:52,360 --> 02:16:54,600

So, they added

that intentionally.

1777

02:16:54,719 --> 02:16:56,920

So now the Medical

Board could act

1778

02:16:57,040 --> 02:17:00,319

...on harm, and because it's

now got two new definitions.

1779

02:17:00,440 --> 02:17:03,159

And is not-- Doesn't mean

just physical. Now that, to me

1780

02:17:03,280 --> 02:17:04,719

...is very dark.

1781
02:17:05,159 --> 02:17:06,360
- Very dark.
- Very

1782
02:17:06,479 --> 02:17:09,200
...dangerous. Very-- As somebody
with legal training, that's so

1783
02:17:09,319 --> 02:17:10,799
...nebulous.
The definition there.

1784
02:17:10,920 --> 02:17:12,399
It's so able to be

1785
02:17:12,760 --> 02:17:15,479
...to be, uh-- It's a
malleable definition.

1786
02:17:15,600 --> 02:17:17,040
It can be shaped
according to what

1787
02:17:17,159 --> 02:17:19,360
- [Liz] ...ever they want it to.
- Same with misinformation, and disinformation

1788
02:17:19,479 --> 02:17:20,639
- It's the same.
- Same.

1789
02:17:20,760 --> 02:17:22,760
Who designates
something disinformation

1790
02:17:22,879 --> 02:17:24,040
- Exactly.
- ...or misinformation.

1791
02:17:24,159 --> 02:17:25,360
- Mm-hmm.
- It's a very

1792
02:17:25,479 --> 02:17:27,840
...dangerous, slippery
slope we're on.

1793
02:17:28,040 --> 02:17:29,879
For somebody
who's worked in, um

1794
02:17:30,000 --> 02:17:32,479
...in media, with people who
I formerly thought were

1795
02:17:32,600 --> 02:17:35,879
...reasonably intelligent. Paula
Penfold, who put a documentary out.

1796
02:17:36,000 --> 02:17:38,079
I always thought she
was reasonably bright.

1797
02:17:38,200 --> 02:17:38,920
But I see
her put out

1798
02:17:39,040 --> 02:17:40,639
...propaganda pieces
on behalf of

1799
02:17:40,760 --> 02:17:43,079
[Liz] ...the government now.
There's no doubt in my mind

1800
02:17:43,200 --> 02:17:46,360
...Fire and Fury was a pure,
government propaganda piece.

1801
02:17:46,479 --> 02:17:50,959
It would have done well in
Goebbels' and Hitler's Germany.

1802
02:17:51,440 --> 02:17:54,559
Are you surprised

as I am, that people--

1803

02:17:54,840 --> 02:17:57,799
People with the intelligence,
and the training

1804

02:17:57,920 --> 02:17:59,239
...to do otherwise,
are going along

1805

02:17:59,360 --> 02:18:00,520
...with this?

1806

02:18:02,479 --> 02:18:04,760
Well, um, there's

1807

02:18:05,159 --> 02:18:08,120
There's some really,
really interesting

1808

02:18:08,239 --> 02:18:09,360
...brave

1809

02:18:09,760 --> 02:18:12,680
...true journalists, that
have stepped up, and said

1810

02:18:12,799 --> 02:18:16,479
'I'm not going to do this anymore.'
And ... in the United States.

1811

02:18:16,719 --> 02:18:18,000
And have

1812

02:18:18,120 --> 02:18:19,079
...pretty much said

1813

02:18:19,200 --> 02:18:21,520
'We are being told what
to say.' And if we--

1814

02:18:21,639 --> 02:18:23,840

If we don't do the narrative,
we lose our job.

1815
02:18:23,959 --> 02:18:25,120
And, and!

1816
02:18:25,440 --> 02:18:27,760
In journalism,
as in medicine

1817
02:18:28,000 --> 02:18:30,120
...if you're
blackballed out

1818
02:18:30,239 --> 02:18:31,680
...you're not going to get
a job anywhere else.

1819
02:18:31,799 --> 02:18:33,799
It's not a matter
of you just saying

1820
02:18:33,920 --> 02:18:36,079
'Well, okay. Heck with you!
I'm going to go over here!'

1821
02:18:36,200 --> 02:18:38,559
Because over here,
and over there

1822
02:18:38,680 --> 02:18:40,799
...they're kind of the
same, aren't they.

1823
02:18:41,040 --> 02:18:42,719
Uh, so, same
with medicine.

1824
02:18:42,840 --> 02:18:46,639
So it's really not-- The distinction
between the journalists

1825
02:18:46,879 --> 02:18:50,200

...uh, having to say that, and
a doctor having to say that

1826
02:18:50,319 --> 02:18:52,520
...uh, is not too much
different, is it?

1827
02:18:52,639 --> 02:18:53,719
- It's not too much different.
- No.

1828
02:18:53,840 --> 02:18:56,440
And ... in the world
to come, I do believe

1829
02:18:56,559 --> 02:18:59,079
...that in future generations,
our grandchildren

1830
02:18:59,200 --> 02:19:01,760
...may ask us, where
were you in 2022?

1831
02:19:01,879 --> 02:19:03,520
- Hmm.
- What did you do? Did you stand up

1832
02:19:03,639 --> 02:19:05,000
- ...or did you go along?
- Hmm.

1833
02:19:05,120 --> 02:19:07,600
I mean there are other jobs.
I certainly wouldn't

1834
02:19:07,719 --> 02:19:08,879
...be able to get
a job in mainstream

1835
02:19:09,000 --> 02:19:10,319
- ...journalism again.
- M-hm.

1836

02:19:10,440 --> 02:19:12,000
But I was willing
to sacrifice that

1837
02:19:12,120 --> 02:19:13,159
- ...to tell the truth.
- M-hm.

1838
02:19:13,280 --> 02:19:15,000
You are willing
to sacrifice.

1839
02:19:15,120 --> 02:19:18,879
What you are sacrificing,
to stand up and speak out.

1840
02:19:19,399 --> 02:19:20,920
Yes, and I, um--

1841
02:19:21,040 --> 02:19:25,559
At this point in time, really, it's--
This is much bigger than me.

1842
02:19:25,680 --> 02:19:29,040
This is ... much bigger
than me. When we have

1843
02:19:29,159 --> 02:19:30,879
...journalists,
and we have

1844
02:19:31,000 --> 02:19:34,360
...doctors, who really love
their profession, you know.

1845
02:19:34,479 --> 02:19:38,680
Journalists. True journalists, go into
journalism, because they want to

1846
02:19:38,799 --> 02:19:40,600
...they want to
actually reveal

1847

02:19:40,719 --> 02:19:43,760
...something that might be opposing.
They might want to

1848
02:19:43,879 --> 02:19:47,920
...present, something that might counter
what the government is telling you.

1849
02:19:48,040 --> 02:19:51,000
But when the government
has gotten so powerful

1850
02:19:51,239 --> 02:19:54,440
...and the regulatory agencies
have been captured.

1851
02:19:54,799 --> 02:19:56,799
And captured is really
an interesting word.

1852
02:19:56,920 --> 02:19:58,479
I think we're
talking about

1853
02:19:58,600 --> 02:20:01,079
...the medical councils
of the world

1854
02:20:01,200 --> 02:20:04,280
...have been captured
by the Federation.

1855
02:20:05,520 --> 02:20:07,959
And so have a lot
of other agencies.

1856
02:20:08,079 --> 02:20:08,479
That is a

1857
02:20:08,600 --> 02:20:13,760
...profound thought. And explain
that more deeply, by alluding to your

1858

02:20:13,879 --> 02:20:16,680
...friend, who went to a
course, in which he was being

1859
02:20:16,799 --> 02:20:17,520
- Ah.
- ...framed.

1860
02:20:17,639 --> 02:20:18,479
- Yeah. I have a
- Could you tell that story?

1861
02:20:18,600 --> 02:20:21,079
...very brilliant guy,
who's a attorney

1862
02:20:21,200 --> 02:20:25,639
...uh, neighbour. And he, uh--
Was also-- Went to Oxford

1863
02:20:25,760 --> 02:20:28,239
...for his MBA
in business.

1864
02:20:28,600 --> 02:20:29,639
And

1865
02:20:30,520 --> 02:20:33,239
...he tells the story, which
is really ... he said, um

1866
02:20:33,959 --> 02:20:37,840
Uh, he went to this
course. And, uh

1867
02:20:37,959 --> 02:20:39,440
...they were
teaching him--

1868
02:20:39,559 --> 02:20:42,319
It's called-- The title of the
course, in this lecture hall

1869

02:20:42,440 --> 02:20:45,719
...in Oxford, was called
Non-Market Strategy.

1870
02:20:45,840 --> 02:20:49,920
Sounds-- Well I don't know.
Non-market strategy.

1871
02:20:50,040 --> 02:20:52,760
What they were
teaching these

1872
02:20:52,879 --> 02:20:56,280
...MBAs that were soon going to be out,
and heading companies, and things like that

1873
02:20:56,399 --> 02:20:59,319
What they were teaching him--
What he realised ... quickly was

1874
02:20:59,440 --> 02:21:01,079
...they were teaching
him-- them

1875
02:21:01,200 --> 02:21:03,799
...how to capture

1876
02:21:03,920 --> 02:21:06,079
...their country's
regulatory agency

1877
02:21:06,200 --> 02:21:10,319
...that might-- Whatever might be.
Oil, or gas, or whatever it is.

1878
02:21:10,559 --> 02:21:12,799
- How to get around the regulatory--
- Or medicine.

1879
02:21:12,920 --> 02:21:13,840
- Or medicine
- Mmm.

1880

02:21:13,959 --> 02:21:17,440

Um, and he,
uh, to his credit

1881

02:21:17,559 --> 02:21:19,360

...I understand.

And he tells me.

1882

02:21:19,479 --> 02:21:21,479

He stood up in
the lecture hall.

1883

02:21:21,600 --> 02:21:22,799

He said,
'Wait a minute!'

1884

02:21:22,920 --> 02:21:23,840

'What are you doing?

1885

02:21:23,959 --> 02:21:26,520

'These regulatory agencies are
meant there to protect the public.

1886

02:21:26,639 --> 02:21:27,920

'That's what they're
there for-- Why?

1887

02:21:28,040 --> 02:21:29,520

'What are you telling us,
how to get around them?

1888

02:21:29,639 --> 02:21:31,399

'That's not--
That's not right!'

1889

02:21:31,760 --> 02:21:32,680

Interesting.

1890

02:21:33,040 --> 02:21:35,920

Now that's kind of an insider look--
And, Oxford of course

1891

02:21:36,040 --> 02:21:38,440

...holds a, you know,
quite a place in

1892
02:21:38,559 --> 02:21:40,879
...world history,
for putting

1893
02:21:41,040 --> 02:21:42,840
...leaders out
into the world.

1894
02:21:43,559 --> 02:21:44,600
And when I alluded
before to--

1895
02:21:44,719 --> 02:21:47,079
Are you surprised
that, um

1896
02:21:47,200 --> 02:21:49,920
...that people who are educated,
are willing to go along with this.

1897
02:21:50,040 --> 02:21:52,079
For me, that's
the key, that

1898
02:21:52,200 --> 02:21:56,159
...they too, have children.
The police, who enforce an

1899
02:21:56,280 --> 02:21:58,040
...illicit government's
overreach.

1900
02:21:58,159 --> 02:22:00,200
They have children!
They all have grandchildren!

1901
02:22:00,319 --> 02:22:02,840
They have wives, and families,
and mothers at home.

1902

02:22:02,959 --> 02:22:04,520

Those families
will be hurt

1903

02:22:04,639 --> 02:22:06,360
...if they indulge

1904

02:22:06,479 --> 02:22:07,959
...illicit behaviour.

1905

02:22:08,079 --> 02:22:10,760
Always follow the money.
and see if that leads to

1906

02:22:10,879 --> 02:22:13,319
...something that
raises doubts. This

1907

02:22:13,440 --> 02:22:15,360
...raises a lot of doubts
for me. The FSMB

1908

02:22:15,479 --> 02:22:16,799
...because of
its secrecy.

1909

02:22:16,920 --> 02:22:19,000
- Mm-hmm
- Because of its inordinate power.

1910

02:22:19,120 --> 02:22:20,799
Because it's a private organisation

1911

02:22:20,920 --> 02:22:22,840
...that's not discussed
or voted on.

1912

02:22:23,079 --> 02:22:27,600
But let's look at the conclusion
to a 1990s report from them.

1913

02:22:27,719 --> 02:22:29,440
Section 8. Conclusion.

1914
02:22:29,559 --> 02:22:31,959
Just want to quote this.
"It's been estimated" they write.

1915
02:22:32,079 --> 02:22:34,239
This is from a
FSMB report.

1916
02:22:34,520 --> 02:22:37,840
"It's been estimated that up to
one hundred billion dollars

1917
02:22:37,959 --> 02:22:41,559
"...is lost to health care fraud
in the United States annually.

1918
02:22:42,079 --> 02:22:47,399
"Medical interventions that do not
conform to prevailing scientific standards

1919
02:22:47,520 --> 02:22:49,559
"...are becoming increasingly popular.

1920
02:22:49,680 --> 02:22:51,840
"It's estimated that in 1990

1921
02:22:51,959 --> 02:22:56,079
"...Americans made four hundred
and twenty-five million visits

1922
02:22:56,200 --> 02:22:59,360
"...to providers of
unconventional medicine

1923
02:22:59,479 --> 02:23:03,239
"...exceeding the number of visits
to all US primary care physicians

1924
02:23:03,360 --> 02:23:09,040
"...at a cost of approximately
thirteen point seven billion dollars."

1925
02:23:10,120 --> 02:23:11,520
By the way,
this, um

1926
02:23:11,639 --> 02:23:14,000
...this policy paper
that was voted in

1927
02:23:14,120 --> 02:23:18,079
...was on their website
for several years

1928
02:23:18,200 --> 02:23:22,559
...until I made it, um, testimony
into Washington Cam--

1929
02:23:22,680 --> 02:23:23,799
White House
Commission.

1930
02:23:23,920 --> 02:23:26,239
And then, uh.
It soon

1931
02:23:26,360 --> 02:23:28,719
...thereafter
was taken off.

1932
02:23:28,840 --> 02:23:31,239
And I unfortunately
lost my only hard--

1933
02:23:31,360 --> 02:23:35,079
Cos I-- What I did is, I handed
out about a hundred hard copies

1934
02:23:35,200 --> 02:23:36,799
...to all my
doctors, back then.

1935
02:23:36,920 --> 02:23:39,639
Said 'Watch out! Look what they're
doing! This is how they're doing it.'

1936
02:23:39,760 --> 02:23:41,239
I lost my
hard copy.

1937
02:23:41,360 --> 02:23:43,559
But I went to something
called the Wayback Machine.

1938
02:23:43,680 --> 02:23:44,280
Did you ever hear
of the Wayback

1939
02:23:44,399 --> 02:23:45,000
- ...Machine?
- No!

1940
02:23:45,120 --> 02:23:46,600
The Wayback Machine's
so cool!

1941
02:23:46,719 --> 02:23:51,280
You go back to-- It takes you-- I went
back to 2002 on the Wayback Machine.

1942
02:23:51,399 --> 02:23:53,959
- You Google this?
- [Dr Dooley] No! It's a site!

1943
02:23:54,079 --> 02:23:55,239
- [Dr Dooley] Wayback--
- Okay!

1944
02:23:55,360 --> 02:23:57,520
So, what it does,
it takes snapshots of

1945
02:23:57,639 --> 02:24:00,239
...of all websites, and
you can-- Even if

1946
02:24:00,360 --> 02:24:02,280
...they go out of--

You can go back.

1947

02:24:02,399 --> 02:24:04,239

- After changing, go back. It's very cool.
- Oh, that's extraordinary!

1948

02:24:04,360 --> 02:24:07,520

So I went back to when I
knew that this was available.

1949

02:24:07,639 --> 02:24:11,879

And, I thought 'I don't know if I can
even do this.' But sure enough--

1950

02:24:12,000 --> 02:24:12,840

Boom!

1951

02:24:12,959 --> 02:24:17,040

There it was. It was available.
So I-- That's ... You cannot

1952

02:24:17,159 --> 02:24:20,600

...find that right now, unless you go to
the Wayback Machine. But that's still

1953

02:24:20,719 --> 02:24:23,680

...a core policy. Don't get
me wrong. It's not that they--

1954

02:24:23,799 --> 02:24:25,520

They just took
it away from

1955

02:24:25,639 --> 02:24:27,280

- ...eyes, to be able to see
- But

1956

02:24:27,399 --> 02:24:29,319

...what leapt
out at me

1957

02:24:29,440 --> 02:24:31,040

...is, this is about

1958
02:24:31,159 --> 02:24:32,959
[Liz] ...money. We are
missing out

1959
02:24:33,079 --> 02:24:35,959
...on making all the money
that we could make

1960
02:24:36,079 --> 02:24:38,200
...if we could corral
the world's population

1961
02:24:38,319 --> 02:24:39,479
...into one way!

1962
02:24:39,600 --> 02:24:41,799
- [Dr Dooley] M-hm.
- The pharmaceutical way

1963
02:24:41,920 --> 02:24:43,040
- [Dr Dooley] M-hm.
- ...of medicine.

1964
02:24:43,159 --> 02:24:44,040
- [Dr Dooley] Well, I mean. What you
- Is that what you're saying?

1965
02:24:44,159 --> 02:24:47,079
...just read, is an anticompetitive
statement, isn't it?

1966
02:24:47,200 --> 02:24:48,399
It's basically saying

1967
02:24:48,520 --> 02:24:51,239
'Hey! You know, this
money's going elsewhere

1968
02:24:51,360 --> 02:24:53,879
'...and people are
really loving it

1969
02:24:54,000 --> 02:24:56,280
'...and it's growing,
and we have to stop it!'

1970
02:24:56,399 --> 02:24:59,239
Now, why wouldn't
something like that

1971
02:24:59,360 --> 02:25:00,319
...be able to--

1972
02:25:00,440 --> 02:25:03,879
Why wouldn't you be able to go after the
Federation, for making a statement like that

1973
02:25:04,000 --> 02:25:08,319
...and say 'This is anticompetitive. Open
up your book. Shows us who you really are!'

1974
02:25:08,440 --> 02:25:09,959
It's absolutely
anticompetitive.

1975
02:25:10,079 --> 02:25:11,719
- [Dr Dooley] Sure!
- It means me as

1976
02:25:11,840 --> 02:25:12,920
- ...as a patient
- Yep.

1977
02:25:13,040 --> 02:25:15,559
...I can't say, 'Oh, I rather
like Chelation therapy.'

1978
02:25:15,680 --> 02:25:18,239
'I love IVC. I get
great results!'

1979
02:25:18,360 --> 02:25:21,079
They know it will grow, because
they know that it's effective.

1980
02:25:21,200 --> 02:25:23,239
Things will
only grow. I will

1981
02:25:23,360 --> 02:25:25,840
...recommend it to
somebody else, if it works!

1982
02:25:25,959 --> 02:25:26,920
Well you know
that whole paper

1983
02:25:27,040 --> 02:25:27,479
- ...by the way--
- If it was--

1984
02:25:27,600 --> 02:25:29,040
If it was unsafe,
as they're

1985
02:25:29,159 --> 02:25:32,360
...writing. And improper, and
incompetent, and ... fraudulent.

1986
02:25:32,479 --> 02:25:35,120
I wouldn't ... do it, and neither
would any of my friends!

1987
02:25:35,239 --> 02:25:35,920
Yeah, but
that whole

1988
02:25:36,040 --> 02:25:37,079
...paper, by the way,
I mean.

1989
02:25:37,200 --> 02:25:38,799
It's a blueprint
for how

1990
02:25:38,920 --> 02:25:40,399
...to get your doctor,
that does this.

1991
02:25:40,520 --> 02:25:43,639
And it talks about all the federal
agencies. They list them right there.

1992
02:25:43,760 --> 02:25:45,639
The Federal Trade Commission,
which they use for

1993
02:25:45,760 --> 02:25:46,879
...ACAM. The IRS.

1994
02:25:47,000 --> 02:25:49,440
The Postal Service.
I mean, it's unbelievable

1995
02:25:49,559 --> 02:25:51,200
...that they are

1996
02:25:51,319 --> 02:25:55,639
...outwardly saying 'Hey! You know, you can
use these, and these, and these...' to be able to

1997
02:25:55,760 --> 02:25:58,319
...get your, uh, doctor in
your State, that is not

1998
02:25:58,440 --> 02:25:59,600
...towing the line, and

1999
02:25:59,719 --> 02:26:02,680
...and doing these other
alternative therapies, and

2000
02:26:02,799 --> 02:26:05,079
...uh, wow! I mean.
Think about that!

2001
02:26:05,200 --> 02:26:06,440
And they were--
But, of course

2002

02:26:06,559 --> 02:26:10,079

...1913 the Federation
of State Medical Boards

2003

02:26:10,200 --> 02:26:12,200

...was way before any of
the other alphabet agencies.

2004

02:26:12,319 --> 02:26:14,120

Way before CDC.

Way before the FTC.

2005

02:26:14,239 --> 02:26:15,920

Way before the FDA.

2006

02:26:16,040 --> 02:26:17,239

They were there

2007

02:26:17,360 --> 02:26:21,319

...ready for these agencies to come on
board. So do they have influence also

2008

02:26:21,440 --> 02:26:22,680

...in these agencies?

2009

02:26:22,799 --> 02:26:23,840

I think so.

2010

02:26:24,079 --> 02:26:24,799

Well, we know

2011

02:26:24,920 --> 02:26:28,959

...that their tentacles reach in,
in terms of getting them

2012

02:26:29,200 --> 02:26:31,959

...to send speakers over, to speak
to the groups, don't we?

2013

02:26:32,079 --> 02:26:32,559

- The
- M-hm.

2014
02:26:32,680 --> 02:26:35,079
...FSMB has
people from

2015
02:26:35,399 --> 02:26:38,559
...the IRS, or other agencies come
and speak to them, don't they?

2016
02:26:38,680 --> 02:26:40,639
- Well, they had ... the Federal Trade
- Hmm.

2017
02:26:40,760 --> 02:26:43,360
...Commission president,
the year before we were

2018
02:26:43,479 --> 02:26:45,280
...attacked by the Federal
Trade Commission.

2019
02:26:45,399 --> 02:26:45,879
Again

2020
02:26:46,000 --> 02:26:47,879
...something of such
inordinate influence

2021
02:26:48,000 --> 02:26:50,639
...and it's barely known
by the population.

2022
02:26:50,760 --> 02:26:53,159
So where to
from here? What...

2023
02:26:53,280 --> 02:26:56,680
...is, uh-- Actually, let's now

2024
02:26:56,799 --> 02:27:01,360
...jump back to history. If we look
at the Chicago World Trade Fair.

2025

02:27:01,479 --> 02:27:04,280
You mentioned that, when we
were in the warm up for this.

2026
02:27:04,399 --> 02:27:05,120
- M-hm.
- And it was

2027
02:27:05,239 --> 02:27:07,360
...so inspiring.
It was in the 1800s.

2028
02:27:07,479 --> 02:27:09,399
- Yep! [Indistinct]
- What happened there

2029
02:27:09,520 --> 02:27:11,799
...and what is it about that,
that inspires you?

2030
02:27:11,920 --> 02:27:14,120
And could we ever get to
that kind of world again?

2031
02:27:15,319 --> 02:27:17,600
Um. Oh, this is,
you know--

2032
02:27:17,719 --> 02:27:19,079
Basically, what I
was impressed--

2033
02:27:19,200 --> 02:27:23,079
And if anybody wants to
go and actually research it.

2034
02:27:23,200 --> 02:27:26,920
It was the most-- I would think it was
1865, in Chicago, or something like that.

2035
02:27:27,040 --> 02:27:29,360
And they had
the most amazing

2036
02:27:29,479 --> 02:27:32,159
...exhibits, and the
most amazing inventions

2037
02:27:32,280 --> 02:27:34,799
...and the most
amazing engineers

2038
02:27:34,920 --> 02:27:36,559
...stuff, you know, and uh--

2039
02:27:36,680 --> 02:27:40,799
It was all about the new types
of engines that would work

2040
02:27:40,920 --> 02:27:43,959
...you know, with certain
electromagnetic things

2041
02:27:44,079 --> 02:27:46,799
...and Tesla. You know,
that kind of technology.

2042
02:27:46,920 --> 02:27:50,319
It was really amazing, actually,
that they were-- There was like, a

2043
02:27:50,440 --> 02:27:54,120
...a Renaissance ... uh, and um.

2044
02:27:54,239 --> 02:27:57,239
And that seemed to have just got-- Whick!
You know, in my estimation.

2045
02:27:57,360 --> 02:28:00,159
But that doesn't really have much to do
with what we're talking about, except that

2046
02:28:00,280 --> 02:28:02,120
- [Dr Dooley] ...maybe it does?
- To me, it has

2047

02:28:02,239 --> 02:28:05,079

...everything to do with
what could replace this

2048

02:28:05,200 --> 02:28:06,879

...dark, covert

2049

02:28:07,239 --> 02:28:11,280

...body, lurking in the background.
Controlling, way too much

2050

02:28:11,399 --> 02:28:13,719

...to that flowering
of human freedom.

2051

02:28:13,840 --> 02:28:16,159

That flowering of
human creativity.

2052

02:28:16,280 --> 02:28:17,159

That questioning.

2053

02:28:17,280 --> 02:28:19,120

- That 'What else could we do?'
- M-hm!

2054

02:28:19,239 --> 02:28:20,879

What could we
create in this space?

2055

02:28:21,000 --> 02:28:24,159

How do we-- I asked you before.
How do we do that bridge

2056

02:28:24,280 --> 02:28:25,799

...Doctor Bruce?

From here

2057

02:28:25,920 --> 02:28:27,360

...which is a kind
of dark place.

2058

02:28:27,479 --> 02:28:28,799

- It's threatening.
- We--

2059
02:28:28,920 --> 02:28:31,639
There's persecution
to this freedom, and this

2060
02:28:31,760 --> 02:28:33,559
- ...flowering of human creativity.
- We need--

2061
02:28:33,680 --> 02:28:35,559
We need to, uh

2062
02:28:35,680 --> 02:28:39,120
...disentangle
our health care

2063
02:28:39,239 --> 02:28:42,239
...and healthcare
regulatory bodies.

2064
02:28:42,360 --> 02:28:44,639
Totally from
these influences.

2065
02:28:44,760 --> 02:28:46,239
We need to
disentangle them.

2066
02:28:46,360 --> 02:28:48,600
We need to--
I mean, for instance

2067
02:28:48,840 --> 02:28:50,680
Uh, I made a--

2068
02:28:50,799 --> 02:28:54,680
...OIC, uh, Information Act
to Medsafe

2069
02:28:54,799 --> 02:28:55,799
...to find out

2070
02:28:55,920 --> 02:28:59,280
...what this committee
MAAC. This-- that

2071
02:28:59,399 --> 02:29:03,440
...that authorised
the, uh ... the inoculation

2072
02:29:03,559 --> 02:29:04,959
...the Pfizer
inoculation.

2073
02:29:05,079 --> 02:29:08,840
Uh, and they refused to give
the names of these people, there.

2074
02:29:08,959 --> 02:29:10,479
So I went to
the Ombudsman

2075
02:29:10,600 --> 02:29:13,680
...and the Ombudsman also had to agree,
that we can't give you the names

2076
02:29:13,799 --> 02:29:16,040
...of these people behind
the curtain, that are making--

2077
02:29:16,159 --> 02:29:19,159
Telling the--
Medsafe to approve

2078
02:29:19,280 --> 02:29:21,559
...this thing.
So, as of today

2079
02:29:21,680 --> 02:29:24,680
...we don't know. And then
they ... went and approved it

2080
02:29:24,799 --> 02:29:27,879
...for the lower age group, and

finally to the last age group.

2081

02:29:28,000 --> 02:29:29,959
So we don't know
to this day, who

2082

02:29:30,079 --> 02:29:31,479
- ...these people are?
- Let alone

2083

02:29:31,600 --> 02:29:33,120
...their qualifications.

2084

02:29:33,879 --> 02:29:34,920
Or who their--

2085

02:29:35,319 --> 02:29:36,639
Who they may have

2086

02:29:36,760 --> 02:29:37,920
...worked for?

2087

02:29:38,040 --> 02:29:40,440
- Who they-- We don't know.
- That is frightening.

2088

02:29:40,559 --> 02:29:42,200
And I went to--
I went the full monty.

2089

02:29:42,319 --> 02:29:44,159
I couldn't go any
further. I went to the--

2090

02:29:44,280 --> 02:29:45,440
I went to the
Ombudsman.

2091

02:29:45,559 --> 02:29:47,639
That is absolutely
frightening.

2092

02:29:47,760 --> 02:29:48,840

The lack of
answerability.

2093

02:29:48,959 --> 02:29:51,840

For many Kiwis, there's a
huge question mark over why

2094

02:29:51,959 --> 02:29:54,479

...this government, has
not told us anything about

2095

02:29:54,600 --> 02:29:56,719

...the New Zealand
contract with Pfizer.

2096

02:29:56,840 --> 02:29:57,799

The contract.
What is in

2097

02:29:57,920 --> 02:29:58,680

...that contract?

2098

02:29:58,799 --> 02:30:02,079

What did, this government,
on our behalf, as our servants

2099

02:30:02,200 --> 02:30:04,920

...sign up to, with Pfizer?
What commitments were made

2100

02:30:05,040 --> 02:30:06,280

- Hmm.

- ...on behalf of the people.

2101

02:30:06,399 --> 02:30:08,840

- Isn't that interesting?
- The lack of transparency from a Prime

2102

02:30:08,959 --> 02:30:12,399

...Minister, who said I'll be the most
transparent prime minister ever.

2103

02:30:12,520 --> 02:30:14,559

- M-hm.

- There is a karma to all of this.

2104

02:30:14,680 --> 02:30:16,360

There is a--

2105

02:30:16,479 --> 02:30:20,639

There is an end to this, for every person who makes that choice.

2106

02:30:20,760 --> 02:30:22,520

To go to the road less travelled.

2107

02:30:22,639 --> 02:30:23,600

To be honourable.

2108

02:30:23,719 --> 02:30:25,399

To be brave, which you have done.

2109

02:30:25,520 --> 02:30:27,280

To speak out, even against perhaps

2110

02:30:27,399 --> 02:30:29,719

- ...ones own interests?

- Yep.

2111

02:30:29,920 --> 02:30:32,360

And those who will go along, who will lie.

2112

02:30:32,479 --> 02:30:34,040

Who will dissemble.

Who will take money.

2113

02:30:34,159 --> 02:30:35,000

Who will

2114

02:30:35,120 --> 02:30:37,360

...choose corruption. There

is something in this book

2115

02:30:37,479 --> 02:30:38,799

- ... that I--

- Or are the majority

2116

02:30:38,920 --> 02:30:42,760

...who will just not want to rock
the boat, because it's too painful?

2117

02:30:42,879 --> 02:30:43,959

- It's painful.

- And--

2118

02:30:44,079 --> 02:30:46,000

On that note actually,

what was it like

2119

02:30:46,120 --> 02:30:49,079

...coming to this interview?

What journey have you done

2120

02:30:49,200 --> 02:30:51,479

- ...to choose to speak out?

- Hmm.

2121

02:30:52,040 --> 02:30:55,840

Uh, I basically said, you know, it--

Really, at this point in time

2122

02:30:55,959 --> 02:30:58,040

...it's ... uh--

2123

02:30:58,280 --> 02:31:01,440

My lovely wife said,

'Is your will up to

2124

02:31:01,559 --> 02:31:02,959

'...date?'

2125

02:31:03,079 --> 02:31:04,319

- That's--

- And you start this conversation

2126
02:31:04,440 --> 02:31:06,120
...because really,
we're talking about

2127
02:31:06,239 --> 02:31:07,079
...I believe

2128
02:31:07,200 --> 02:31:08,360
...we're talking about

2129
02:31:08,479 --> 02:31:13,159
...interfering with powers
that have enormous power

2130
02:31:13,280 --> 02:31:17,040
...and are getting more, and more
power ... across the world

2131
02:31:17,159 --> 02:31:19,239
And I think
little New Zealand

2132
02:31:19,360 --> 02:31:22,719
...has a history of standing
up to these powers.

2133
02:31:22,840 --> 02:31:24,000
In the past,
with the French.

2134
02:31:24,120 --> 02:31:28,159
And with the American Navy...
- [Liz] With the nuclear

2135
02:31:28,280 --> 02:31:29,000
- ...ships!
- [Dr Dooley] Nuclear ships!

2136
02:31:29,120 --> 02:31:31,879
- [Liz] And with South Africa.
- South Africa, and apartheid. I mean--

2137
02:31:32,000 --> 02:31:35,879
Kiwis have this,
you know, this uh

2138
02:31:36,000 --> 02:31:39,639
...stuff in them that I was very
proud of, when I first got here. And

2139
02:31:39,760 --> 02:31:42,399
...I would like that-- to see
that stuff come back up again

2140
02:31:42,520 --> 02:31:44,639
...and say, you know
'This is not right!'

2141
02:31:44,760 --> 02:31:47,559
Our doctors should not
be losing their livelihood

2142
02:31:47,680 --> 02:31:50,639
...and their medical
registrations, for basically

2143
02:31:50,760 --> 02:31:52,600
...trying to help a
pregnant woman.

2144
02:31:52,719 --> 02:31:54,719
We need to have
the Medical Council

2145
02:31:54,959 --> 02:31:57,079
...disengage themselves
from this international arm.

2146
02:31:57,200 --> 02:31:58,959
- Hmm.
- Number one. In my estimation.

2147
02:31:59,079 --> 02:32:02,000
We need the
Ministry of Health to

2148
02:32:02,120 --> 02:32:03,840
...allow open debate.

2149
02:32:04,200 --> 02:32:06,520
They don't allow open
debate, and why is that?

2150
02:32:06,639 --> 02:32:08,559
I mean, we need to
have open debate.

2151
02:32:08,680 --> 02:32:10,840
We need to-- This country needs
to look at the rest of the world.

2152
02:32:10,959 --> 02:32:13,760
Nobody's wearing masks anymore,
in the rest of the world, pretty much.

2153
02:32:13,879 --> 02:32:15,440
And why are we
still doing that?

2154
02:32:16,159 --> 02:32:19,200
To me, we need a total
fresh broom to sweep out

2155
02:32:19,319 --> 02:32:22,879
...what's on the Medical Council of
New Zealand, as an outsider looking in.

2156
02:32:23,000 --> 02:32:26,520
With absolutely new people
appointed, who are of the highest

2157
02:32:26,639 --> 02:32:28,760
...most unquestionable
integrity.

2158
02:32:28,879 --> 02:32:30,920
I certainly, as a Kiwi, don't
want somebody who's

2159
02:32:31,040 --> 02:32:33,440
...deeply embedded
in the FSMB.

2160
02:32:33,559 --> 02:32:36,000
Also heading the
New Zealand Medical Council.

2161
02:32:36,120 --> 02:32:38,440
So again to Joan Simeon,
if you would give me an interview

2162
02:32:38,559 --> 02:32:40,319
...I'm happy to
be proven wrong.

2163
02:32:40,440 --> 02:32:42,239
But I have many
questions for you.

2164
02:32:42,360 --> 02:32:44,479
The courage it must have taken.
You mentioned your wife.

2165
02:32:44,600 --> 02:32:46,600
Did she at first say, 'No,
don't do this.' Bruce?

2166
02:32:46,719 --> 02:32:47,760
Nope, nope.

2167
02:32:47,879 --> 02:32:52,440
She's a real strong
woman, and she knows, uh

2168
02:32:52,559 --> 02:32:54,040
...exactly what's
happening.

2169
02:32:54,159 --> 02:32:55,879
She's totally
on board.

2170
02:32:56,000 --> 02:32:59,399
And, has watched me over the years.
Um, you know, in Florida too,

2171
02:32:59,520 --> 02:33:03,040
Um, with this, uh--
If you will, this

2172
02:33:03,159 --> 02:33:05,360
...movement to, um

2173
02:33:05,479 --> 02:33:08,120
...basically, take
over medicine.

2174
02:33:08,239 --> 02:33:11,799
Medicine should be left
in the hands of the doctors

2175
02:33:11,920 --> 02:33:13,079
...in my estimation.

2176
02:33:13,200 --> 02:33:14,600
The government
should stay out of it.

2177
02:33:14,719 --> 02:33:16,920
The regulatory bodies
should only be

2178
02:33:17,040 --> 02:33:20,319
...there for real harm,
and real, you know--

2179
02:33:20,440 --> 02:33:22,959
They shouldn't be doing
what they're doing, which is

2180
02:33:23,079 --> 02:33:25,879
...they're, um-- They're
acting as bludgeons

2181
02:33:26,000 --> 02:33:28,399
...for what I
believe is the--

2182
02:33:28,520 --> 02:33:31,200
What I believe is the
pharmaceutical industry, actually.

2183
02:33:31,319 --> 02:33:35,079
A note, as a Kiwi woman, of the
deepest gratitude, that a man

2184
02:33:35,200 --> 02:33:37,280
...of your quality has
come to our shores

2185
02:33:37,399 --> 02:33:40,360
...and cares so much about this
country, that you would stand

2186
02:33:40,479 --> 02:33:41,479
...for this
level of truth.

2187
02:33:41,600 --> 02:33:43,159
- [Liz] ...Doctor Bruce.
- Well, I've got a twelve-year-old daughter

2188
02:33:43,280 --> 02:33:45,680
- Yeah.
- It's for her.

2189
02:33:46,920 --> 02:33:47,760
Your karma

2190
02:33:47,879 --> 02:33:50,360
...Doctor Bruce, will be
a very rich one indeed.

2191
02:33:50,479 --> 02:33:51,440
- Thank you.
- Thank you

2192
02:33:51,559 --> 02:33:52,639
...for doing what
you're doing.

2193
02:33:52,760 --> 02:33:54,520
For this country,
and for the world.

2194
02:33:54,639 --> 02:33:55,760
Thank you.
